

## Interest Infographic

**SUBJECT: Digital Arts**

**SUMMARY:** You will be creating an 'Infographic' about an interest of yours: a sport, hobby, place, food, book series, movie, etc.

**Infographics are posters that present information with words and pictures.**

**MATERIALS NEEDED:** This fun, art-filled activity can be done on paper or using technology. Some possible tech. tools are:

## Photoshop, Gimp, Photopea - Computer

## Adobe Spark - Computer

## Pic Collage – iPad

## Piktochart– Computer

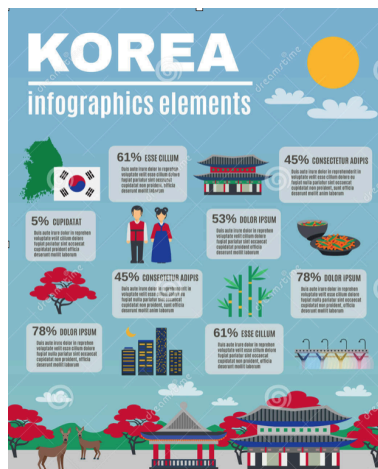

## Canva- Computer

**DIRECTIONS:** Your infographic should include:

- 1). A bold and artistic title: this will be the topic of your infographic and can have a creative subtitle.
- 2). 5 or more informational areas: Infographics display information (duh :) These can be fun facts.
- 3). Creative graphics: Other than the information, this is the most important part of your infographic!
