FORMAT & FAQ'S

Grand Clash Overview

- Join us for the Cherokee Open Warhammer Underworlds Grand Clash.
- On day one all players will play through at Least 3 rounds on Sunday based on attendance.
- If we have 8 players there will be 3 rounds. If we have 10+ there will be enough rounds to determine a true winner.
- This is a World Qualifier Ticket event. The winner will get a ticket to the World Championship in Atlanta at the end of the year.
- Day two will be a much more laid back event where players will play a round robin style best of one tournament so that everyone has a chance to play and/or meet one another.
- Tournament Organizer: Zack Newcome

Grand Clash Event Details

- Format: Nemesis Format (rules) - Note: These rules can update before the tournament. Please keep an eye on the Warhammer Community Underworlds page prior to the event.
 - Edge of the Knife Rivals deck and Borgit's Beastgrabbaz will **NOT** be legal for the Grand Clash event. The release date and pre-order dates plus shipping will be too close to ensure everyone has access to this newly released material.
- Players will compete in a best-of-three format. Players will be paired randomly for the first round, then randomly within their records for the following rounds.
- A total of 180 minutes are allotted for a round. If players are not finished within the time limit, they must play to the end of their current round, after which the current game ends.
- During rounds, even if a victor is determined after two games, you will still play a third.
- This allows everyone an equal chance to earn or give up tie breaker statistics.
- All models are required to be painted to tabletop or Battle-Ready quality. Models not meeting this standard will be removed from the event.
- When you complete your match, submit your results and glory points to the TO.
- Warbands and decklists must be submitted. The options are as follows.
- Use recommended deck builder (<https://www.underworldsdb.com/>) to upload a list to the BCP app for review. Please include the UnderworldsDB link.
 - [BCP Link](#)

- Print a physical text copy of your list, be sure to include your Name, Warband, and Rivals Deck pairing prominently on the print out.
- Any rules posted to the Warhammer Community FAQs and Erratas (<https://www.warhammer-community.com/en-us/downloads/warhammer-underworlds/>) will be used.
- Attendees are expected to bring everything they need to play the game, including your warband, your decks, attack/defense, their board, and a full set of counters/tokens and glory points.
- Decks MUST be sleeved in opaque card sleeves.

Grand Clash Scoring

- Players will submit games won and total glory points scored for each match via the BCP app or through the TO.
- Tournament Points will be the primary scoring metric.
- Tie breakers are as follows in order
 - Games Lost
 - Glory Differential
 - Opponent Win Percentage
 - Glory Scored

Grand Clash Awards

- The winner will receive a ticket to a place in the 3rd annual World Championships of Warhammer event later this year in Atlanta.
- There will be Trophies for 1st, 2nd, 3rd, best painted, and best sportsmen.

Day 2 Warhammer Underworlds Speed Dating!

We will be using a much more relaxed format Day 2 of this event.

- It will still be Nemesis format for deck building.
- You'll be able to use the brand new Edge of the Knife Deck and Borgit's Beastgrabbaz.
- You may also use any warband you would like including the Grand Alliance Warscrolls.

I want this to be a showcase of the fun you can have with any warband you want, including those that are not included in the true Nemesis Format. Have fun with it!
