Dear Editor, (0.5 mark)

Re: THE CAUSES OF DIARRHEA IN BOARDING SECONDARY SCHOOLS (01mark)

Refer to the heading above as it concerned.

I am writing this letter to inform you that there is a problem of diarrhea in many boarding secondary schools in Tanzania which is caused by various reasons;

Eating food before washing hands, most of students are eating food without washing their hands this can cause a person to acquire such disease. (01 mark)

Drinking un boiled water. Most of students do not drink water that is safe during meals this situation leads to diarrhea. (01 mark)

Eating un boiled food. Many students at school do eat food which is cold most of time a situation which may also lead to acquire diarrhea. (01 mark)

Dirty environment in the toilets leads to the emergence of a disease. This is because many student's toilets are not in safe environment the virus of a disease is available in such environment, so it easy for students to acquire a disease. (01 mark)

Therefore, I am writing this letter to inform you that, this is a very serious problem to many boarding secondary schools and it should be prevented.

Yours in National building. (0.5 mark)
