Form 1c. Expression of Interest and submission of sub-project proposal: FMGP- W2 (SC 2.1) Livelihood Diversification and Development

(to be prepared by proponent)

If sub-project budget is PhP 5 million and below complete proposal can be submitted along with the EOI

Part I. Proponent Identification

<table>
<tr><td>1. Name of organization and address of the organization</td><td colspan="3"></td></tr>
<tr><td>2. Contact person name, position, phone number</td><td colspan="3"></td></tr>
<tr><td colspan="4">3. Profile of the organization:</td></tr>
<tr><td>a. Purpose/ reason for organizing</td><td colspan="3"></td></tr>
<tr><td>b. Members' occupation</td><td colspan="3"></td></tr>
<tr><td>c. Registration details*

(include year of registration)</td><td colspan="3"></td></tr>
<tr><td>d. Whether women/indigenous people's organization?</td><td colspan="3"></td></tr>
<tr><td rowspan="2">e. Number of members (break down by gender)</td><td>Female</td><td>Male</td><td>Total</td></tr>
<tr><td></td><td></td><td></td></tr>
<tr><td rowspan="3">f. Organization's current activities and last year's income</td><td colspan="2">Activity</td><td>Income (PhP)</td></tr>
<tr><td colspan="2"></td><td></td></tr>
<tr><td colspan="2"></td><td></td></tr>
<tr><td rowspan="3">g. No. of employees/working members (full-time and part-time)</td><td>Full-time</td><td>Part-time</td><td>Total</td></tr>
<tr><td>Employee</td><td></td><td></td></tr>
<tr><td>Member</td><td></td><td></td></tr>
</table>

h. Value of Assets (Cash and kind value) (PhP)	Cash in Bank/Hand	Asset Value	Total

* May or may not be formally organized at the time of EOI submission.

Part II. Declaration of Eligibility

This is to certify that we:

No.	Eligibility Criteria
1	Are registered or in the process of registering with BFAR FishR* as a fisherfolk organization
2	Have a minimum of 15 individual members
3	Are willing to undergo training to be provided by the FishCORE Project
4	Are willing and able to provide in-kind counterpart (land, management personnel, labor, etc.) of 20% of the proposed budget
5	Are proposing livelihood activities that are generally in line/ not inconsistent with the FMA Plan** developed under FishCORE
6	After short-listing, are willing to prepare a simple and short Proposal using the project's standard template (in case of proposals below PhP 5 million EOI should accompany the proposal)
7	Have fully liquidated loan or credit funds availed of under previous Government-funded projects
8	Will promote sustainable fisheries and aquaculture practices, and members are willing to comply with the currently existing fisheries legislations / resource management and regulatory measures to be implemented under the FMA Fisheries Management Plan

* FishR is BFAR's national registration system for municipal fisherfolk generating data to design fisheries management and biodiversity conversation measures.

Name and signature of authorized representatives:

_____

Date: _____

Part III. Proposed Sub-project Concept/Proposal

1. Sub-project Title	
2. Sub-project Location (barangay/ municipality/ province/geocode	
3. Sub-project Duration (maximum 24 months)	

4. Subproject rationale: (3-5 sentences to describe livelihood constraints/ issues being faced by organization and its members)

5. Subproject Description: Objectives and Scope in 3-5 sentences

6. Subproject Logframe (Outcomes, Outputs and Key activities)

Hierarchy of Subproject Results	Success Indicators	Sources of Data
Purpose (outcome)		
Outputs (deliverables)		
Key Activities		

7. Annual Production and Revenue Targets per annum from Sub-project:

Employment target (No)		
Production Targets		
Revenue Targets		

8. Costs and Financing: (in PhP)* (Cost/ expense items will vary depending on nature of livelihood activities under the sub-project)

Cost/Expense Items	Estimated Amount in Pesos
A. To be funded under the proposed Grant (up to PhP 5 million)	
1. Construction or rehabilitation of livelihood facilities	PhP
2. Purchase or repair of livelihood tools and equipment	
3. Working capital (livelihood inputs, raw materials, fuel, communication, etc.)	
4. Others (please specify)	
Sub-total	
B. To be provided by proponent as in-kind counterpart (20% of grant amount)	
1. Land	PhP
2. Management personnel/ labor	
3. Others (please specify)	
Sub-total	
Grand total	PhP

* Training expenses will be funded separately by the FishCORE Project.

9. Subproject Benefit(s) (Indicate whether one or more of the following types of benefits will be generated by the subproject):

Type of Benefits	Description of benefit (quantify if possible)
1. Ecosystem and environmental benefits (specify, e.g., protect coral reefs, mangroves, seagrass beds)	
2. Supports socioeconomic needs of the fisherfolk without harming the fisheries resources and environment	
3. Strengthen fisheries management, environment and ecosystem sustainability	
4. Reduces social conflicts	
5. Enhances climate change resilience	
6. No. of households that will be directly benefiting from income/revenues of the sub-project	

10. Will the sub-project be located within sensitive/protected ecosystem or environment that would require further investigation? YES/No. If YES, provide management and mitigation plan for any potential negative impacts because of the project (Fill out Part IV Initial Environmental and Social Screening)

11. Will sub-project implementation lead to any social conflict with other stakeholders (e.g., use/access right conflict, and land dispute) that would require further investigation? YES/NO. If YES, provide management and mitigation plan for any potential negative impacts because of the project (Fill out Part IV Initial Environmental and Social Screening)

Part IV. Initial Environmental and Social Screening
(to be refined in collaboration with FishCORE Project ESS team)

[Proposed subproject should not violate any item below. In case of a YES answer a statement on impacts and plans for mitigation will be required]

1. **Checklist of Environmental and Social Concerns and Risks** [Preposed subproject should not violate any item below. In case of a YES answer to any items a statement on impacts and plans for mitigation will be required for each]

Checklist of Environmental and Social Concerns (check one of the boxes in each row)	Yes	No	Not applicable
A. Environmental concerns			
• Loss of ecological value when subproject is located within/ close to natural ecosystem such as biodiversity, mangrove, or wetland area	☐	☐	☐
• Soil pollution/ health risks due to application of fertilizers and pesticides	☐	☐	☐
• Overexploitation of fish stocks	☐	☐	☐
• Degradation of resource base; habitat damage through use of destructive fishing methods and gears	☐	☐	☐
• Capture of non-target species	☐	☐	☐
• Downstream water pollution from discharge of pond effluents with drain water, potential restriction of water circulation	☐	☐	☐
• Pollution of nearby aquatic environment by pond drainage water	☐	☐	☐
B. Social concerns			
• Adverse effects on property and/or livelihood	☐	☐	☐
• Displacement of homes and/or livelihood or restrict access to traditional economic resources	☐	☐	☐
• Involve acquisition of land, right-of-way and/or easements rights	☐	☐	☐
• Involuntary resettlement	☐	☐	☐

• Changing, damaging, or rendering inaccessible any cultural resource, structure, or heritage site	☐	☐	☐
• Located in ancestral domain	☐	☐	☐
• Indigenous people to be affected	☐	☐	☐

2. Environmental and Social Risks and Impacts Management and Mitigation Measures

Risk Types	Statement of Risks and Impacts	Proposed Solutions /Mitigation Measures	Comments
