Dear Parents,

Kindly note that April 14, 2026, is a holiday for students on account of Dr. B.R. Ambedkar Jayanti.

However, the school office will remain open. Parents may visit the office to deposit fees, and the bookset counter will also remain available for purchases.

This is also to inform you that the annual fees can be deposited by 15th April. Parents who pay the full year's fees in one installment will receive a one-month discount.

We request you to ensure that your child has the complete set of books when he/she comes to school to support effective learning.

Regards
