The Lighthouse Recertification Review is an assessment process for your school to reflect and celebrate accomplishments since Lighthouse Certification. To earn Lighthouse Certification, schools must demonstrate growth and innovation within The Leader in Me Framework, be evaluated by certified Franklin Covey reviewers, and implement a continuous process of school improvement. Lighthouse Certification is recognized across the nation as a quality school operating system and demonstrates to students, staff, parents, and community members that your school is dedicated to improving and achieving excellence in academics, leadership, and culture.

Overall Sustainability and Growth Highlights:

- ***Westside Elementary is a Lighthouse School that exemplifies leadership. The environment is warm, welcoming, and reflects the worth and potential of students and staff. Westside's MRA scores clearly demonstrate strong growth in all areas. Over the past three years: Leadership has grown from 75 to 74 to 76, Culture has grown from 74 to 76 to 77, Academics has grown from 69 to 74 to 79, and their overall scores have grown from 72 to 74 to 77.***

Growth and Results Highlights: Family Involvement

- There has been a strong focus on Family Involvement with intentional synergy of all Adult Action Teams.
- The school utilizes student voice and student engagement with the family events throughout the year.
- Family Engagement MRA scores have increased from 69 to 73 to 75 over the past three years.

Growth and Results Highlights: Student Empowerment

- The school offers numerous opportunities for students to engage and shine in the Westside Learning Environment both inside and outside the classrooms.
- Student Empowerment is supported by embracing student voice in many areas: Student Lighthouse Council, Choir, Enrichment choices, to highlight a few.

- Student Empowerment MRA scores have increased from

Growth and Results Highlights: Student Goal Achievement

- WIGS have a strong presence around the campus. They are visible and regularly updated.
- Leadership Portfolios are utilized regularly and students have a strong understanding of their purpose.
- Student Goal Achievement MRA scores have increased from 49 to 72 to 80.

Considerations for Continued Growth:

The school is encouraged to

- *Explore partnerships with families and embrace their voice in the school's leadership model.*
- *Continue and strengthen student engagement with family learning around the 7 Habits of Highly Effective Families.*
- *Seek additional opportunities for students to develop and practice leadership skills.*
- *Continue to support WIG development around the 4 Disciplines with individual and school-wide WIGs.*

Congratulations!

On behalf of Sean Covey and the Franklin Covey Education Team, it is with great enthusiasm that Westside Elementary School is re-certified as a Lighthouse School in the State of Texas.

The school's next Lighthouse Recertification will take place in 2024-2025. We look forward to partnering with you and your staff in the coming years as you continue to achieve desired results as a Leader in Me Lighthouse School.
