Future Maverick Families:

We are thrilled that your student will be joining us next year at La Costa Canyon High School. We take tremendous pride in our broad array of academics and extracurricular programs, and we look forward to your student finding their right fit on campus. We recognize starting a new school can be intimidating for students and their families. Rest assured that we are all here to support you in this transition. Feel free to reach out if any questions arise in this process.

Please carefully read the registration information below. In addition, we encourage you to visit the LCC [course descriptions](#) and learn more about our educational programs. Visit the [LCC Course Selection Page](#) for information specific to new students!

La Costa Canyon High School COURSE SELECTION GUIDELINES

This is your only evening opportunity to obtain *course selection* materials. However, if you are unable to attend, please contact Judy Mendez, Counseling Secretary, at (760) 436-6136 Ext. 6012 for more information.

LCC Counselors will present information on the course selection process, course descriptions, and graduation requirements.
