

Eleanor Gulick, Ph.D, CCC-SLP
Assistant Professor
Communication Disorders, University of Wyoming

EDUCATION

2024	Ph.D., Communication Sciences and Disorders Bowling Green State University, Bowling Green, OH Dissertation: <i>Aphasia groups: Experiences and perspectives of group members and facilitators</i>
2022	Graduate Certificate, Instructional Design Bowling Green State University, Bowling Green, OH
2020	M.S., Communication Sciences and Disorders Bowling Green State University, Bowling Green, OH Thesis: <i>Developing discourse structure analysis for use on conversations that include people with aphasia</i>
2018	B.A., Speech and Hearing Science Ohio State University, Columbus, OH

TEACHING EXPERIENCE

Instructor: CDIS 3010: Anatomy and Physiology of the Speech Mechanism, Spring 2022, Fall 2022, Spring 2023

Teaching Assistant: CDIS 3010: Anatomy and Physiology of the Speech Mechanism, Fall 2021

RESEARCH EXPERIENCE

RESEARCH POSITIONS

2018- 2024	Graduate Research Assistant in the Interactional Aphasiology Lab for Brent Archer, PhD., CCC-SLP at Bowling Green State University, Bowling Green, OH
2018- 2023	Research Lab Coordinator in the Interactional Aphasiology Lab for Brent Archer, PhD., CCC-SLP at Bowling Green State University, Bowling Green, OH Created research training materials and lab documents, trained and managed workflow of over 25 undergraduate and 8 graduate students, mentored 13 undergraduate students in receiving grant funding for research
2021-2022	Research Project Manager for “Keeping your old friends: Client-centered recommendations for maintaining friendships after aphasia” a multi-institute research project funded by the Tavistock Trust for Aphasia Facilitated aphasia friendly participant screening meetings and data collection, managed incoming data from multiple sites, prepared data for analysis
2017-2018	Undergraduate Research Assistant in the Adult Cochlear Implant Outcomes Laboratory for Aaron Moberly, M.D., PhD, Ohio State University, Columbus, OH

RESEARCH INTERESTS

- Communicative success of people with aphasia in functional contexts (e.g., conversation, storytelling)
- Mechanisms for optimal aphasia groups
- Access for people with aphasia to functional rehabilitation supports
- Diversity, equity, inclusion, and belonging in Communication Sciences and Disorders
- Scholarship of teaching and learning in Communication Sciences and Disorders

PEER REVIEWED PUBLICATIONS

- Azios, J. H., Archer, B., Simmons-Mackie, N., Raymer, A., Carragher, M., Shashikanth, S., & **Gulick, E.** (2022). Conversation as an outcome of aphasia treatment: A systematic scoping review. *American Journal of Speech-Language Pathology*, 31(6), 2920-2942.
- Archer, B., Azios, J. H., **Gulick, E.**, & Tetnowski, J. (2021). Participation management in facilitated conversation groups for aphasia. *Aphasiology*, 35(6), 764-782.

BOOK CHAPTERS

- Brackenbury, T., Matuga, J., **Gulick, E.** (2024). Making meaningful measures: Authentic assessment in communication sciences and disorders courses. In S. M. Ginsberg, J. C., Friberg, C. F. Visconti (Eds), *Scholarship of teaching and learning in speech-language pathology and audiology* (2nd ed.). Plural Publishing.
- Archer, B., **Gulick, E.**, Damico, J.S., Ball, J. B. (2024). Clinical Sociolinguistics. In M. Ball, N. Müller, L. Spencer (Eds.), *Handbook of clinical linguistics* (2nd ed., pp. 81-97). Wiley.

POSTER & PRESENTATIONS

- Husak, R., Leaman, M., Keegan, L., Archer, B., Akers, C., **Gulick, E.**, Groenewald, R., & Mok, Z. (2023, November). *The USEFuL project: Introducing systemic functional linguistics for assessing and treating neurogenic communication disorders*. One-hour Seminar to be presented at the American Speech Language Hearing Association 2023 Convention, Boston, MA.
- Gulick, E.**, Archer, B., Whitfield, J. (2023, May). *Facilitating connection through participation: A study of the impact of therapy task on the rate of talk between people with aphasia during group therapy*. Poster presentation at the Clinical Aphasiology Conference, Atlantic City, NJ.
- Archer, B., Husak, R., Leaman, M., **Gulick, E.**, Akers, C., Groenewald, R., Keegan, L., & Mok, Z. (2023, March). *Applying Systemic functional linguistics to neurogenic communication disorders*. Poster presentation at Aphasia Access Leadership Summit, Durham-Raleigh, NC.
- Gulick, E.**, & Archer, B. (2022, November). *Connecting through participation: Talk between people with aphasia during group therapy*. Poster presentation at the American Speech Language Hearing Association 2021 Convention, New Orleans, LA.
- Gulick, E.**, & Archer, B. (2022, June). *Group members' communicative style and interactant roles during facilitated conversation for people with aphasia*. Poster presentation at the International Aphasia Rehabilitation Conference, Philadelphia, PA.
- Azios, J., Archer, B., Simmons-Mackie, N., Raymer, S., Carragher, M., Shashikanth, S., **Gulick, E.** (2022, June). *Conversation as an outcome measure: A scoping review*. Oral presentation at the International Aphasia Rehabilitation Conference, Philadelphia, PA.
- Gulick, E.**, & Archer, B. (2021, November). *Discourse structure analysis of extended repair sequences in facilitated conversation groups for people with aphasia*. Poster presentation at the American Speech Language Hearing Association 2021 Convention, Washington, D.C.
- Archer, B., **Gulick, E.**, & Sheets, M. (2021, November). *Topic boundaries in facilitated group conversations for people with aphasia: A preliminary analysis*. Poster presentation at the American Speech Language Hearing Association 2021 Convention, Washington, D.C.
- Gulick, E.**, Archer, B., Hoadley, M. (2021, November). *Using discourse structure analysis to better understand facilitated conversation groups for people with aphasia*. Poster presentation at the American Speech Language Hearing Association 2021 Convention, Washington, D.C.
- Gulick, E.**, & Archer, B. (2021, April). *Developing a repair class of speech functions for discourse structure analysis*. Poster presentation at the Aphasia Access Leadership Summit, Virtual Conference.
- Gulick, E.** (2020, November). *Exploring applications of discourse structure analysis for use in aphasiology* [Seminar]. Communication Sciences and Disorders Proseminar, Bowling Green, OH.
- Azios, J., Archer, B., Carragher, M., Simmons-Mackie, N., Raymer, A., Shashikanth, S., **Gulick, E.**, Damico, J. (2020, November). *Conversation as an outcome measure: A scoping review*. Proposal

accepted at the Annual Convention of the American Speech-Language-Hearing Association, San Diego, CA (Convention canceled).

Gulick, E., & Archer, B. (2019, November). *Shared laughter in group conversation for people with aphasia*. Poster presentation at the American Speech Language Hearing Association 2019 Convention, Orlando, FL.

Gulick, E., & Pummill, K. (2019, April). *An introduction to aphasia*. Oral presentation for the Bowling Green State University Student Neuroscience Association, Bowling Green, OH.

Gulick, E., Archer, B., & Azios, J. (2019, March). *Making room at the table*. Poster presentation at the Ohio Speech, Language, and Hearing Association Convention, Columbus, OH.

Gulick, E., Moberly, A. C., Vasil, K., Ray, C., & Baxter, J. (2017, September). *Phonological sensitivity and speech recognition in cochlear implant users*. Poster presentation at the Ohio State University Autumn Undergraduate Research Forum, Columbus, OH.

PROFESSIONAL FUNDING

RESEARCH GRANT FUNDING

2023 Optimal Aging Institute (OAI) Small Internal Grant. "Stakeholder perspectives on practices in group therapy for aphasia" (**Direct costs: \$999.00. Role: PI**)

PROFESSIONAL DEVELOPMENT AWARD FUNDING

2018-2023 Oman Graduate Student Success Fund
Awarded for research-based professional development. Cumulative support of over \$5900

2018-2023 BGSU Graduate Student Senate Funding for Professional Development
Award provided to assist in conference attendance costs. Cumulative support of over \$1900

2019-2023 College of Health and Human Services Linda Petrosino Pillars Fund
Award to assist in conference attendance costs. Cumulative support of over \$850.00

2019-2023 BGSU CDIS Departmental Funds Award
Award provided to support professional development. Cumulative support of over \$850.00

SERVICE

2023-present Peer reviewer for the American Journal of Speech Language Pathology

2020-2024 Committee member for the College of Health and Human Services Diversity and Inclusion Committee at Bowling Green State University

2019-2023 Committee member for the Dean's Student Advisory Council for the College of Health and Human Services at Bowling Green State University

2021 Senator representing the CDIS PhD Program for the BGSU Graduate Student Senate

2020 Judge at the Charles E. Shanklin Research Colloquium

2016-2018 Volunteer communication partner for the Ohio State Aphasia Initiative

CLINICAL WORK EXPERIENCE

2023-present **Speech Language Pathologist**
Mercy Health St. Vincent Hospital, Toledo, OH
Settings: Acute Care Level I Trauma Center
Populations/Disorders: Dysphagia, Neurogenic communication disorders (aphasia, dysarthria, apraxia, cognitive-communication impairments), Voice disorders, Stuttering

2021-2022 **Speech Language Pathologist**
P.T. Services Rehabilitation, Tiffin, OH

Settings: Pediatric/Adult Outpatient, Acute Care, Psychiatric Acute Care, Sub-acute Rehabilitation Center, Skilled Nursing Facility

Populations/Disorders: Dysphagia, Neurogenic communication disorders (aphasia, dysarthria, apraxia, cognitive-communication impairments), Voice disorders, Stuttering, Developmental speech and language disorders, AAC, Children with multiple developmental disabilities, teletherapy

2020-2021

Speech Language Pathologist

Encore Rehabilitation, Sylvania, OH

Settings: Skilled Nursing Facility

Populations/Disorders: Dysphagia, Neurogenic communication disorders (aphasia, dysarthria, cognitive-communication impairments), Voice disorders

PROFESSIONAL MEMBERSHIPS AND LICENSURE

American Speech-Language-Hearing Association, Certificate of Clinical Competence

Ohio Speech-Language-Hearing Association

Aphasia Access, Affiliate
