5. New Business
 - a. Discussion on March add on and how to better streamline it between coaches and parents
 - Board has met a few times to tackle this topic and this difficult period of time for organizing practice.
 - Too much work to create a separate session, so we are proposing to have the spring add on dates be part of the winter season.
 - b. Discussion on Summer Lanes for AM (2days) & PM (5) practice
 - Asking for 6am two days per week
 - Coaches will get a google sheet to find out when they can coach and then we will determine the timing of the PM practices and how many lanes we can fill
 - c. Fundraising Presentation - Carey Stanley /Britt Baker
 - Corporate sponsorship opportunity
 - Revenue goal of \$20k for first year with four sponsorship levels
 - Asking for permission from the board to begin soliciting sponsors for the 26-27 season
 - Need additional volunteer to help with social media posts and other promotion for the club
 - How to consider in-kind donors and recognize them for their contributions
 - If we can put our pledge forms and sponsorship info on our website, it would be in line with other swim clubs and be easy for parents/business owners to access
 - Approval granted!
 - d. Proposal for Long Course Travel Fee Increase
 - Monthly fees cover our meet costs because we usually make money on our short course meets. Long course meets are an exception, and they can get pretty expensive.

- Increasing the meet fee by \$25 at each level for long course events
 - Despite the increase in costs, we will still lose money on some of these longer meets
 - We can look at the Missoula fee specifically next season
 - Long course meet travel fee increase was approved as proposed.
- e. Discussion on Priority Meet dates for 2026/2027 swim season - Due April 13th
- i. Fall in the Hole . One thought is to move it to mid December. The weekend that it normally falls, there are several teams who can never attend. Pinedale is giving up their 12/9 weekend up but there's another conflict that weekend.
 - ii. Consider the boys season and the opportunity that they have to get times
 - iii. Downfall with current meet timing is we are just swimming against ourselves. Not very good competition.
 - iv. We'd like the opportunity to possibly go to Laramie for the Nov meet? Trying to track the conversation.
- f. Fall/ Winter End of the Season Banquet - possible date April 23th (Thursday)
- High schoolers really want a banquet
 - April 23rd works and Molly will work on getting things rolling
 - 5:30 start, awards around 6:15
- g. Swim a thon? Is it possible to pull off this Spring
- May 2nd, 8-11am possible Intasquad meet instead of Swim a thon
 - Priority should be an intrasquad if possible.
- h. Arena Partnership Discussion
- All future purchases should be with Arena
 - Sponsorship has been offered by Arena
 - Will continue to discuss + tabled until there is time to deep dive into this
- i. Update on new travel fee policy + voucher system for Elite Meets
- Voucher system similar to what wyoming swimming does on their website.
 - Criteria will need to be set up for this
 - Trying to figure out an equitable way to do this, support swimmers
 - A lot of discussion here but i really wasn't tracking the voucher conversation, new to me so need some background.
- j. Open Parent Discussion
6. Set the next meeting for the third Wed of each month. - April 22nd, 2026 6pm
