

## Kevin Supports

(Spoiler Character is at the end of the document)

## **Kevin/Siegfried**

### **Siegfried C**

Siegfried: Ah, Kevin.  
Good to see you're doing well.

Kevin: Yes...  
You as well...

S: I suppose now's not a bad  
chance to thank you, Kevin.  
You really helped us by escaping  
that one day to find Anakin.  
I know it's not easy for someone  
of your stature to move around...  
But somehow, I knew you  
could handle it, Kevin.

K: Thank you.  
It was... nothing.

S: And of course, I'm glad  
you're still with us.  
You're family, after all.

K: Family...  
Are we really...?  
I still am not completely  
sure myself...(Leaves)

S: Kevin...

## **Siegfried B**

K: Siegfried...

S: Yes?

K: You say we are family...  
But what is a family?  
My family back in Magnus...  
is not like you guys.  
They are... distant...  
and they do not like me...

S: Well, they're your family too,  
aren't they?  
There's your blood family,  
and there are your comrades.  
But in the end, what matters is that  
we're close, and care for each other.

K: Then my blood family...  
Must not be real family...(Leaves Again)

S: What happened to him  
to be this way...?

## **Siegfried A**

S: Kevin, I think we  
may need to talk...

K: .....

S: You seem rather down...  
At this rate, it could prevent  
you from fighting at your best.  
And I don't want you getting hurt  
because you aren't feeling your best.  
So tell me, what is your  
family at home like?

K: They would fight each other...  
and yell at me...  
I... I'm not very good  
at doing things...  
I usually mess up or ruin them.  
They call me a klutz...  
I'm the youngest of four brothers and three sisters...

S: That's silly, Kevin.  
You've done nothing but  
help us time and time again.  
And I can't remember many times  
that you've slipped up, either.  
However, I think that between the seven  
of you, a little fighting is only natural.  
If I were you, I wouldn't let  
it get to me, that's for sure.  
I mean, why do you doubt  
yourself so much, Kevin?  
You have a lot to be proud of.  
You should stand tall.

K: I...  
Thank you...  
No one has ever said such  
kind words to me, Commander...

S: Well, you need to talk a  
little louder, and a little more!  
The world is only as big  
as the world you explore.  
If you don't try to connect  
with the people around you,  
you're missing out on things  
you'd pick up otherwise.

K: I...  
I don't know how, though...

S: Well, you opened up to me,  
didn't you?  
So just keep going.  
Go on a roll!  
Have a little more confidence and  
you might just surprise yourself.

K: A-Alright.  
I'll try...

S: Good. And I'll be right here to  
help you, so be at ease, okay?

## Kevin/Lirin

### Lirin C

Lirin: So, you're to back me up  
in battle, are you?

You can call me Lirin.

Pleased to meet you.

Kevin: I... am Kevin...

I... will do my best  
not to get in your way...

L: I'll be airborne a lot  
of the time.

I don't think that will  
be a problem, sir Kevin.

K: I hope not...

### Lirin B

L: Hello, um, Kellam.  
Where have you been?

K: My name is Kevin...  
And... I have been here...

L: Oh, sorry...  
I just haven't really  
seen you around.  
Here you originally thought  
you'd get in my way,  
but it's been quite  
the opposite, hasn't it?

K: Yes...  
That is good...

L: Well, we're to work together,  
so make sure you stay around,  
or there's not much point  
in any of this...

K: Understood...

## **Lirin A**

Lirin: You know, normally I'm the quiet and serious one, but you take "quiet and serious" to a whole new level... Surely there must be something that gets you excited, no?

Kevin: The more I do, the more I mess up... It's best that I do as little as I have to, or...

L: Well, maybe that's true, but if you don't do anything, how will you ever get anywhere in life, or change yourself, for that matter? You used to be a knight of Magnus, right?

K: Yes...

L: I'll tell you right now, I hate Magnus. They forced us to kill my former commander, Lena. But I can't just stop fighting because I'm scared of someone dying again... I have to keep going. We all do.

K: I... am trying...

L: I know you are, but have more faith. You're getting me and some others a little depressed. We're fighting this war to change things... So you, me, and everyone else has to put in everything they can towards our battles.

No holding back.  
Trying and failing is tough,  
but if you never try,  
you will definitely  
never succeed, either.

K: Okay...  
I will try harder...

L: And what do you say when someone  
is finished helping you, Kevin?

K: ...Thank you.  
I appreciate your kindness...

L: You're very welcome, Kevin.  
Off we go!

**Kevin/Rex**

## **Rex C**

Rex: Hey! (Jump)  
Kevin!

Kevin: Hello, Rex...

R: Are you okay?  
You seem... solemn.

K: I'm fine.  
I am always like this.

R: Oh, I see.  
I'm sorry.

K: It's okay...  
You should focus on  
the battle though...

R: Yeah, you're right...

K: Trust me, I know from experience...Without focus, you will make mistakes...

R: Yeah, you're right.  
Time to focus.

## **Rex B**

R: O-ow!  
That hurt!  
Stupid thing!  
Why'd I have to trip on you...

K: Be careful, Rex.

R: I know, it's just...  
ouch, my ankle...  
(Jump) You know what?  
I think I'm going to  
write a poem about this...

K: .....

R: You're small but annoying,  
always getting in my way  
hitting you is like a sting  
"Begone!", I say!

K: That's... a nice poem.

R: Huh?  
Oh, you were listening?

K: Yes.

R: I-it's not what you think!  
I just... sometimes  
express myself through words.  
I'm not a weirdo or anything!

K: It's okay if you're weird.

R: I-I'm not weird!  
I'm not!(Leaves)

K: .....

## Rex A

K: Rex?

R: .....

K: I'm sorry, Rex.  
I didn't mean to insult you.  
I am... clumsy.  
With words, and many other things.

R: ...It's alright.  
I... I just... poems are all  
I had for a while.  
It was my only way  
of expressing myself.  
So now,  
I make them all the time...

K: Oh?  
Is there any particular type  
of poems you like to make?

R: Actually, yeah!  
I like making poems about the sky.  
It's just so amazing...  
so vast...  
and watching birds soar  
through the air is mesmerizing.

K: Yes... it is.

R: Want me to make you a poem?

K: Okay.

R: Let's see...  
"Some are slow, some are fast.  
Some lead, and some follow last.  
But next to everyone  
is a good old friend.  
Someone to support them,  
to the end."

K: That is nice.  
What is it about?

R: You, actually. Well, you and me, if it makes sense.

K: It does.  
Though, am I really that slow?

R: Haha, it's just a poem, Kevin.

K: Maybe... but somehow,  
it feels like more than that...

R: Hey, don't over think it!  
You're clumsy with thinking,  
too, aren't you?

K: If you insist... Rex.

Spoiler Below

## Kevin/Spoiler

### Spoiler C

Kevin: General Howard...

Howard: Sir Kevin...

K: .....

H: .....

K: So you... have joined us...

H: Yes... who would have thought  
this would be my fate...

### Spoiler B

H: Sir Kevin...

Why did you join?

K: Siegfried... was more honorable  
than those of Magnus...  
Rather than fall, I...

M: ...I see.

I, too, rather than simply  
perish and rot away,  
would perhaps rather put  
my life to some use...

K: I never thought you would betray  
your liege, General Howard...

H: I am no General, and he...  
was no longer my liege...

## Spoiler A

H: Sir Kevin, your fighting skills have improved.  
Not only that, but you appear to move and act with less clumsiness.

K: Being in this army has... helped me...  
I am not strong, but I can still help...  
And everyone appreciates it... that is more than I could say as a knight of Magnus...

H: I see...  
Both now, and even then, I appreciated you, Kevin.  
However, such sentiments were not thought fondly of, so I myself held them back, failing to acknowledge them.  
But it seems that in doing so, I was only holding myself back.

K: Yes... but I will not be held back anymore.

H: Nor I, Kevin.  
Let us push each other forward, step by step, toward a new dawn.
