

HERNDON HIGH SCHOOL PARKING REGULATIONS 2026-2027

(Form #3 page 1)

1. **Student vehicles parked on HHS must be registered with the HHS Security office. Students may only park in their assigned space and/or assigned parking lot.** If a student has a parking concern, he/she should notify security immediately upon arrival at school. Do not park in another person's parking space. A current HHS parking permit must be clearly displayed from the rear-view mirror or the front left-hand corner of your windshield of your vehicle while parked at HHS.
2. Any disputes concerning parking tickets must be brought to the attention of the security office within 5 days of the issue date of the ticket. Remember: When you received your parking permit, you were asked if you understand all "rules" and "regulations" that come with parking on school grounds. **This written and advanced notice is your 1st and only warning.**
3. Students are expected to obey all traffic laws and drive courteously while on school grounds. Students may lose parking privileges for improper driving at the discretion of an administrator.
4. There will be a \$20.00 fee to replace a lost, stolen or damaged parking pass.
5. ***Students cannot leave school grounds for any reason without an official checkout pass. Students cannot return to their vehicles during the school day without an official school pass. Students who violate this policy will lose all parking privileges for 15 school days on the first offense and all parking privileges for the remainder of the school year on the second offense. This includes both drivers and passengers. Administrators reserve the right to revoke parking privileges for the remainder of the school year on the first offense.***
6. All vehicles parked in violation of any parking regulation are subject to being ticketed, towed or booted at the discretion of the administrative staff. Vehicles may be towed/booted for outstanding parking fines or multiple parking violations. Booted vehicles will have the boot removed after all parking fines have been paid in full. The vehicle owner is responsible for any towing/storage fees if a vehicle is towed.
7. **Student vehicles parked on HHS property or local church property are subject to a consent search upon request. The owner, operator or passenger of any vehicle with an assigned HHS parking space consents to such search as a condition of obtaining the school/church parking assignment.**
8. **Students should not park in the Visitor Parking spaces at any time unless directed to do so by security staff.** Academy students are not considered to be visitors and should not park in the visitors' parking area. **Students must promptly report to security for any unauthorized vehicles parked in their assigned parking space.**
