Access your new content

You can now access your content using the Flux Player. The player manages download, storage, and playback of most content and allows viewing of your content anytime, anywhere without the need of a browser or internet connection.

If you are already using the Flux Player… just open the player to view your purchase. Otherwise, please follow the easy steps below:

1. Go to https://cellobello-merch.myshopify.com/apps/flickrocket to download and install the Flux Player for your platform.
2. Close your web browser.
3. Open the Flux Player app and sign-in to the player using your email ⬛⬛⬛⬛⬛⬛ and the password ⬛⬛⬛⬛⬛

You may reset your password at any time using the "Forgot password" function.

Windows Users: To locate the player after installation, press the Windows key (bottom-left, next to the CRTL key) and type the first few letters of the player name and press the Enter key. After the player appears in the list, you can also right-click on the player and pin the player to the Taskbar or send a shortcut to the desktop.

Mac Users: To locate the player after installation, choose Go>Applications from the main Apple Finder menu. Then locate the player in that folder and start it. You can also drag the player icon to the Dock or create an alias on the desktop to make it easier to access.

If you have any questions, contact us at support@cellobello.org.
