

...: MVLA & Freestyle Academy Bell Schedules ...:

The Freestyle Schedule is a repeating two day cycle. **AM classes are Periods 1, 2, 3 and PM classes are Periods 5, 6, 7.**

- **MVHS/LAHS Schedule vs Freestyle Schedule: Assigned class Periods are NOT strictly followed like MVHS/LAHS.**
- Basically you will not be in the same class two days in a row.
- Typical JR (or SR) 2 week rotation schedule (SR classes are OPPOSITE of JR classes in table below)

Week 1	Week 2
Monday in English and Digital Media Tuesday in Elective (Film, Design, Animation) Wednesday in English and Digital Media Thursday in Elective (Film, Design, Animation) Friday in English and Digital Media	Monday in Elective (Film, Design, Animation) Tuesday in English and Digital Media Wednesday in Elective (Film, Design, Animation) Thursday in English and Digital Media Friday in Elective (Film, Design, Animation)

Then the two week rotation repeats itself 12121 21212 etc

Freestyle does NOT strictly follow the MVHS/LAHS Periods on specific days

Example: Freestyle English is assigned in Aeries as either Period 1 or 5.

Any MVHS/LAHS class usually meets on Tue and Thu.

However, the Freestyle Two Day Schedule will sometimes put you in English on Wed and Fri (even periods at MVHS/LAHS) even though Freestyle English is officially Period 1 or 5.

All students [have Period 9 for attendance purposes in these cases.](#)

All Freestyle Classes similarly do NOT strictly follow the MVHS/LAHS Periods on specific days.

How do you know where to go first - Eng/DM or Elective? See the [Freestyle Calendar](#) on how you start each week. SRs and JRs are normally NOT in the same classes together (only a few days throughout the year are they ever together).

Eng/DM split each block - see table below for more details.

FA Shuttle = shuttle pickup at Freestyle and LA Shuttle = shuttle pickup at LAHS

More shuttle info on <https://freestyleacademy.rocks/shuttle>

For Schedule A and C, LAHS AM students have ~20 minutes to get to Period 4 at LAHS

ACT/Tutorial attendance for AM students is a case-by-case request from Freestyle Teachers.

Normal Schedule

Week 1 (M, W, F) 120 + 110 + 110 = 340 mins/week then Week 2 (T, Th) 165 + 165 = 330 min/week

Two Week rotation where Week 1 + Week 2 = 670 mins/week
