## 🔴 A New F-ZERO Game is Finally Here! 🔴

---

After 19 looooong years, a new addition to the series was released on September 14th for 🎮 Nintendo Switch Online called **F-ZERO 99!**

As FZC in its current state doesn't have the possibility to add neither new games or users to the site, you can instead find leaderboards for the game over at 🏆 [speedrun.com](https://speedrun.com).

In addition, there's a site called [ingametime.com](https://ingametime.com) where you can see overall rankings based on the times submitted to SRC.

EYI: this update won't list active pilots for the game. World Records are listed (Practice Mode), but only lists the fastest time set regardless of vehicle used. For up-to-date records and for each separate vehicle, check SRC.

## 🔴 F-Zero GX/AX Quarter 3 2023 Updates + FZC Ladder Progression 🔴

Also, check out the FZC Ladder Progression-section to see pilots' progress over time (all games included).
