TARGET RANGE SCHOOL
LEARN - GROW - SUCCEED

Miscellaneous Information

When working on the site please remember that the minutes are a recommended time. Some kiddos may work faster or slower than that time. The videos that are posted are meant for explanation, if your kiddo understands the task they may not need the video. Do what is best for your kiddo. If frustration occurs take a break!

A PEEK AT OUR WEEK:

This week we will be starting on our Sound Unit! We will be learning all about how sound is made, what makes sound and even creating our own instruments. We will finish up our first unit in math and begin structuring our reading groups.

A NOTE FROM THE TEACHER:

This week it is **VERY** important that on the remote days your kiddo is taking the MobyMax placement tests! These are to be done by the student, please **DO NOT** give answers. Both tests don't have to be taken the same day. The reading one is a little more tricky so just encourage your kiddo to do their best. You may read the answers but again do not provide the correct answer. This information will provide us on the best way to guide your kiddo in learning.
