*****Beginning with the entering 9th grade class of 2022-2023 (**Class of 2026 and beyond**), students are required to have **1.0 credit of Computer Science** to graduate.

These are **Sample Schedules** and do not include any graduation credits received in the 8th grade. Some course placements may be altered at student's discretion. Please consult your counselor/advisor with any further questions. Athletes: please note, years 2 & 3 of athletics counts for credit, but you receive no grade points. And year 4 athletics does not count for any credit.
