

Les A-Muids

Code of conduct

Our vision

The association Les A-Muids pursues the objective of promoting social relationships within our village Arzier-Le Muids and to reignite the intercultural and intergenerational exchange.

In order to achieve these objectives, the association Les A-Muids focuses on events which combine traditions, culture and sports.

With more than 35 nationalities, our municipality faces challenges which the association Les A-Muids is happy to address, by organizing events that foster social cohesion, without accepting stereotypes or prejudices.

The association works on a not-for-profit basis, any benefits will be reinvested into the execution of future projects.

Our mission

1. Organize any kind of local or regional event which helps to nurture the cultural life of the village.
2. Make know-how available to the extended community so that other citizens of the municipality of Arzier-Le Muids can organize events in a structured and efficient manner.
3. Offer a respectful interchange between the citizens of our municipality, encompassing all classes of age, generations and nationalities.

Our objectives

1. Create an engaged community that invests in developing a diverse and dynamic social life, and which eventually encourages other citizens of the municipality to contribute as well.
2. Take the lead on the organization of local events.
3. Encourage and support our fellow citizens to realize their own events in the public domain, whilst respecting our code of ethics.

Our values

Mutual respect is a key value for our internal and external communication. We promote an open and constructive debate. The transparency about what we do will eventually develop ongoing trust amongst our members. We welcome everybody who is motivated to contribute to the development of the social and cultural life of our municipality, in a multicultural and multilingual environment, no matter nationality, age, sex, gender or religion.
