

The new government (228) only looks on every face of the word that uses the sentence (only applies to a tiny extra angle) imposed on the raw an event of hat assigning the gout. For example, the 1975 event a American said "America abandoned Vietnam" while this sentence is only the right angle 1/5 overall. He wanted to say "In a very small perspective of viewing the word" America abandoned Vietnam "to urge the United States to bring Vietnam. Because the overall soldiers died over 52,000 people and burned down the very large amount of money to withdraw when the VNCH did not have a spy force across the North Vietnam, without a group of people in the enemy but this was the career of CS QT. All foreign countries are not specialized in this work with CS. Only Viet Nguoi Viet people are in the United States. But didn't you see the group to catch the region?! Around 1970 because of the unstable demonstration in the US against Vietnam's war in the state; US leaders not realized, until 40 years in the past 2014 USA has not yet recognized the foreign state in the area from 1970 leading the people and people, distorting the truth of truths between the two parties, between the Party and outside the Party, the middle of the business privilege in the Big Tech group and the enterprise outside the Big Tech group is not awarded Who in the Supreme Legal is the recipient of foreign currency after 1970 deprivation of the right to have foreign elements, causing the FBI without executionary rights but the signed TCPV orders will be made to do the subject? The FBI was deprived of independence when conducting duty because of TCPV directly. TCPV has completed the right to prosecution of imprisonment. Because the CIA only has the right to with foreigners with foreign elements, there is no right to prosecute imprisonment in a particular country without accusing imprisoning TCPV such as FBI. Since the FBI was stripped of the right to handle foreign elements. FBI under TCPV. Institution to open the door to TCPV and corrupt officials. No one has the right to prosecute the jails to join, just believe in the leadership to praise the state. Swear officials in the country with a crampling. Trump was doing !! The elevation of the chest to pat the chest proudly "this world is too small for the two of us (the greed and the anti-pole) they are assassinating the head?! If the head is the VIP they do not dare to play because of the VIP protection group, they do people who take a relative. The revenge has ended 2022 nen we are still sitting together and talking. This serious phenomenon revealed that the two parties disintegrate only time, they opened their ends to open the war of explosions to have the opportunity to corrupt war but they started foreign states because the foreign bang was convenient to sneaky was an effective arm of people who were suppressed to the party. The above story has been on the page. The next part of the person who is unjustly unsatisfied with the garden, the main people are in the party. The Independent Party is still young and the people realize that there is a sense of slave life - the capital of the tears when 95% of people only understand 50/50 only see the other party bad. Lo called on each other to vote for this party and vice versa, so it was to end. Prepare it for three years while the new post has just finished the Rothschild family to understand and go to the world right now that the world wants Americans to understand. Only vote for the new independent party to disintegrate the new TCPV to the capital - slave. Independent Party Links Rothschild Family Belt and Royal Royal. The hospital school is free and depending on the work of employing you have privileges and remuneration to ensure your economy. 1 / In the US Two-party members do not dare to commit three things to corrupt as a referritoress of the people through the first judge, unit the independence for the laws of the laws without the right to appoint more than 5 people. This is the cause of corruption when Trump claims if you win. Trump changes 85% of personnel regarded as his own home! With TCPV, the CIA is a danger, the interest in disabling power like the FBI. Nen 2013 CIA was deprived of independence; TCPV opened the dictatorship to the full corruption of corruption without any

power to intervene !! From 1970 (FBI only did when TCPV signed a command and in 2013, the CIA only did when TT signing the order) Finished the right to be the right to be a righteous. American institutions later revised violating the Constitution. When TCPV struggled the whole rights of the laws becoming exclusive to the king's role; But if the current constitution allows the wrong TCPV, only investigating is not prosecuted in prisoners, still in order to lose the chair to the dead day. TCPV has abused privileges that are not responsible for, which are only allowed to apply for 3 years, now TCPV has now violated the Constitution to prosecute imprisonment when seriously violating the sale of national secrets or selling arsenal weapons. The TT only does when TCPV allows. But according to the current law, there is no executive to investigate prosecution of TCPV imprisonment, although TCPV is violating the Constitution. If you want to be compensated, not full of lawsuits, restrictedly according to the term. But everyone who only said the Democratic Party scolded on them abandoned the price of 95%. TT does a two terms. Every institutional, mode is only deadly. Eternal new country. So the United States is the country. The United States does not abandon the ARVN. "Abandoning" is responsible for individual people, only apply to parents and children to 18 years old. Because it is the responsibility. Recognized by society. America came to Vietnam! With the shoulder of the contract agreement. There is no witness witness to sue responsible for not abandoning. But some healthy oversea and the bridge of a American finish said the US abandoned the ARVN. Very wrong !!! Overseas some of the United States declared because of the Ly so that only supported the Republican Party. It is ridiculous. What is a person who rights with a deadline is not in the current party, they are just the flood of the leaves of an anger of the anger tree? The original TCPV original part of the face does not understand. Flower parts of institutional branches according to the short term of TT TCPV. Nen is responsible for the root. America loses because the VNCH no one has a friend to keep the same due to the election team. The US just wanted to "marry" with him, but they didn't choose Thieu Ong. They dominate with Mr. Thieu. The danger of the bee is in a reluctant that will always be the right to ignite the force of the force. Ong Ky story for humanity lessons. When the collective rooted to remember him, he was not his own person as the country of the country. He was not entrusted to give the right to the lesson. !!! A part of the United States was drawn by ong corrupt, Mr. Trump's lesson. When they knew they were not favored they were often corrupt like Biden Tao Israeli war, or embark on Trump. Or corrupt. Or the god of mind when the people hate to remember when someone will empower it even though they killed you. You are hated when they have the right in hand. Through how the lesson is the blood. 95% of humanity does not recognize !! More Freedom to demonstrate according to foreign state leads (do not have a popular population population education in the US through the US for the purpose of?) Nen the basic things do not do seriously when touching it, it doesn't, cover it and raging in the country. CSVN over the US body to escape China, replicate the whole year against the 2014 Anti-CSVN 2014, so it will not compiled by the Law on the Law on the National Assembly. Because there is no position of composing a legal law. Self-propelled people and send 20 good people to speak up, they dreamed that the law will have but only by the people. !! Laughing in the US woman's tears Royal, Rothschild knows: Having to divert to the Independent Party TCPV to retreat itself and save the United States and the world of the war of the economy, but 50% are supporting the two parties not understood.
