OUTDOOR WORK: As summer sets in and yard work is necessary, please remember that **homeowners** are only permitted to run their equipment between the hours of 7am to 7pm. Let's all enjoy the birds and beautiful sounds of nature from your decks after 7pm! Thank you for your cooperation. (Landscapers and contractors hours are M-F 7am to 7pm and Saturdays 8am to 5pm...not allowed on Sundays at all.)

LARGE EVERGREEN: We've been asked...why did we remove our big evergreen tree at Legacy Park?! Unfortunately, Rick and I have been watching it for some time...it was leaning more and more...the roots starting crowning and it was simply too dangerous to leave any longer as it was headed for a walkpath. I remember that tree when we planted it decades ago...my little children helped light it as the neighborhood's Charlie Brown Christmas tree! It has been replaced

with a Bald Cypress. Let's watch it grow.
