Dear Parents / Guardians,

Your role as parent/guardian is a crucial component in the development of your student-athlete. The support you provide is often mirrored in the ability of the student to accept the opportunities and responsibilities presented through participation in the Avon School Athletic Program.

Student-athlete participation will help foster personal accountability and the development of a value system. With integrity, teamwork, and respect the spirit of sportsmanship thrives. Parents/guardians can help the development of strong student-athletes by supporting their commitment to sportsmanship goals of the Avon School **Participation Contract**. Please review, sign, and return the attached contract to me.

Please note that there will be no school provided transportation to and from games. Parents are expected to transport their child to and from games, or arrange transportation for their child.

In addition, the school has experienced difficulty with uniform care and return. Therefore we require that the parent/guardian also sign and return the attached **Responsibility Waiver**. Uniforms will not be distributed to your student athlete without the waiver being signed and returned to your coach.

Thank you in advance for your understanding and cooperation. I look forward to seeing you at the games this year!

Sincerely,

Carrie Becker

Athletic Coordinator
