

**Hey band families and friends!**

Are you interested in getting involved in the RPB? Fill out this [volunteer interest form](#) and let us know how you'd like to help. Or, reach out to one of our volunteer leaders to ask questions and see what area might be fun for you! We are so thankful for the many ways our RPB families support the band. Whether you can serve one time or multiple times a week, no matter what your talents are or your level of experience, there's a place for you in the Royal Pride Band Boosters!!

**Sincerely,  
Heather Fletes, VP Volunteers**
