Salt Lake City, Utah 84114-4200

Boulder Elementary School requests an amendment to the [2022-2023 School Land Trust Plan](#) to re-assign funds due to an error in estimated funds, causing an estimated carry-over of \$6,664.

Boulder Elementary School purchased iXL licenses in English Language Arts, Mathematics, Science, and Social Studies to support practice and demonstration of mastery in taught concepts. The paid invoice was \$599, leaving \$401 remaining in the estimated online subscription.

The estimated remaining funds will be used to purchase components of [Wilson Language Foundations](#) and increase the funds distributed to staff for participating in professional training.

Foundations utilizes a structured literacy approach grounded in the science of reading to make learning to read fun while laying the groundwork for lifelong literacy. The research-based literacy program contains extensive materials to present a carefully structured reading, spelling, and handwriting curriculum using engaging multisensory techniques.

The updated distribution will be the following:

People and Professional Development	Pay Head Teacher to Prepare and Conduct Professional Training	\$2,227.00
People and Professional Development	Pay staff to Participate in Professional Training	\$2,000.00
Books & Technology	IXL Subscription Plan	\$599.00
Books & Technology	Wilson Language - Foundations Pre-K through third grade teacher and student resources	\$5065.48

The amendment vote was approved five yea, zero nay, and one absent on May 10, 2023; the following board members participated in the vote:

Jill Trombley, parent chair
Betsy Hilton, parent co-chair
Andria Rice, parent member
Susana Salstrom, parent member
Jeanne Zeigler, staff member
Elizabeth Julian, school principal

Sincerely,

A handwritten signature in cursive script that reads "Elizabeth Julian".
