PAYMENT PLAN

There is an initial \$400 Commitment Deposit due upon acceptance (\$300/each for siblings). It is non-refundable and will go towards your total balance due for the season upon acceptance. Company families will then make 10 total monthly Company payments. The installment payments are charged on the 15th of each month (July-April). Delinquent payments will result in a late fee and possible disqualification from the program. All estimated costs for the year (rehearsals, choreography, costumes, workshops, competitions, productions) will be totaled and split into 10 even payments.
