KROKY

- Step 1**
Remove the protective cover and press power switch to turn on the Product.
•You can use power mode by pressing power switch again.
- Step 2**
Gently slide the roller head back and forth or left and right on the dry and rough area of the feet and stay for 2 to 3 seconds. Do not press the Product too tightly when using it, and make the roller head run gently across the skin. During the process of using, it is allowed to stop to check if the dead skin is removed satisfactorily. If it is not, reapply the Product on the same area (for 2 or 3 seconds) and check again, until the smooth and delicate skin is restored.
- Step 3**
Press power switch to turn off the Product and put protective cover on to prevent the damage of the roller head.
- Step 4**
After grinding your feet, rinse them with water or remove excess dander with a wet towel.

- Notice:**
- 1. Improper use of the product may cause damage to the roller head, please confirm whether the roller head is in good condition before using. If damaged, stop using the Product.
 - 2. If pressed too tightly with too much force, the Product will stop operation.
 - 3. It is suggested to use the Product after washing the skin to clean and soften the skin. And wipe up the water on the area of the skin to guarantee the optimum effect.
 - 4. It can provide 150 mins of cordless using time after 2.5 hours of charging.
 - 5. Please clean the product after using to keep it in a clean and high-performance state.
