

1. 12 punto for normal eyes  
Can you Read this?
2. 11 lower punto possible in most of the resolutions  
Can you Read this?
3. 10 even lower punto possible in most of the resolutions  
Can you Read this?
4. 9 punto will make some bad resolutions to have some trouble reading  
Can you Read this?
5. 8 at this level you can cross out the lowest resolutions as nonreadable  
Can you Read this?
6. 7 you'll need at least HD panels to read this.  
Can you Read this?
7. 6 even in 1080p this gonna be somewhat hard to read  
Can you Read this?
8. 5 1080 p and big monitor will be required and still will be somewhat possible  
Can you Read this?
9. 4 now you'll need 2k or 4k to be able to read this by each character  
Can you Read this? Really?
10. 3 yup without 4k nope  
Can you Read this? Wow that's a hell of a resolution
11. 2 I don't know the 4k guy, can you?  
Can you Read this? You have the eyes of an eagle and the resolution of gods
12. 1 WAT??  
Can you still read this? Get outta here...
