- 1. 12 punto for normal eyes Can you Read this?
- 2. 11 lower punto possible in most of the resolutions Can you Read this?
- 3. 10 even lower punto possible in most of the resolutions Can you Read this?
- 4. 9 punto will make some bad resolutions to have some trouble reading Can you Read this?
- 5. 8 at this level you can cross out the lowest resolutions as nonreadable Can you Read this?
- 6. 7 you'll need at least HD panels to read this.

 Can you Read this?
- 7. 6 even in 1080p this gonna be somewhat hard to read Can you Read this?
- 8. 5 1080 p and big monitor will be required and still will be somewhat possible Can you Read this?
- 9. 4 now you'll need 2k or 4k to be able to read this by each character
- 10.3 yup without 4k nope
- 11. 2 I don't know the 4k guy, can you?
- 12.1 WAT??
