Dear Melrose Families,

The excitement for the start of school is beginning here at Melrose. We have decided to again host a whole school "Welcome Back" event on *Thursday, September 1* for all students PreK4 through Gr.4 from **2 - 3pm**. Students will have the opportunity to visit their learning space; meet their grade level teacher; learn about arrival and dismissal procedures and ask questions about the upcoming year. New students will be provided a folder that can be found at the front door with information about the school. If you are a new family, please look for Mrs Maggi Moretti, our school secretary, to retrieve that information. All specific grade level times are listed below as a suggestion, but teachers and staff are available and in classrooms between 2pm and 3pm. The Orientation event will conclude on the playground. We hope your children can have an opportunity to see and play on the new structures that were added over the summer. There will be a few booths set up for students and families to learn about the school and the community. Can't wait to see students' smiling faces.
