

## Year 6 Summer Work: Religion, Ethics and Philosophy

Hello New Year 7 and welcome to your study of Religion, Ethics and Philosophy at Bristol Cathedral Choir School. You probably already know that in Bristol and the surrounding area there are people who belong to many different religions, and people who do not belong to a religion. This is also true at Bristol Cathedral Choir School!

Your task for the summer is to find a place of worship in Bristol or the surrounding area and complete the tasks below. It could be any one of the following:

1. Muslim Mosque
2. Hindu Temple or Mandir
3. Buddhist meditation space
4. Christian Church or Chapel
5. Jewish Synagogue
6. Sikh Gurdwara
7. Any other place of worship from a different religion of your choice.

1. Take a picture of the building (or more than one!)
2. Create a presentation about the building and the religion it belongs to.
3. You can include ideas such as:
  - a) What happens at the building?
  - b) Why is it important to that religion?
  - c) What are the main beliefs of that religion?
  - d) What is the history of that religion in Bristol?

This could take the form of a 'Powerpoint' or 'Googleslides', or you could create an information poster. You do not have to do this on a computer. You can just answer the questions on a piece of paper.

On the next page there are 6 examples from around Bristol, but you do not have to use these, and you may not know where they are!

There will be prizes for the best presentations! Good luck!
