ART PROJECT

Before Easter, some Art, English and Gàidhlig pupils wrote poems for a project based on community, identity, and shared spaces by NUART, Aberdeen's street-art festival. The words were then added to art which was also created by the pupils. Ms Wisniewski led the project, with Mr Center and Miss Graham adding poems by their pupils.

We are very excited to share that a number of the poetry/artworks by these pupils will be incorporated into this year's NUART festival promotional advertising, featuring on bus stops around Aberdeen City. So, please keep your eyes peeled! There is some real talent on display.

We are also excited to share that Ms Wisniewski, Mr Center, and Miss Graham will be attending the NUART festival's opening at a civic reception at the Townhouse next Wednesday alongside some of the pupil contributors who will be reading their
