EAGLE CLUB NEW VENDOR PARTNER ACTIVITY: SEASON TWO

Exciting new activities offered by our vendor partner starting in season two.

Eagle Club Kids MBA by Brainsteins (Middle School only)

Named by Forbes magazine as one of the “Five leading global programmes supporting the next generation of entrepreneurs”, the KidsMBA is a cutting-edge programme originating from the UK, offering kids aged 11 -15 a great head start in the business world. This innovative initiative provides a real-world taste of the essential life skills, know-how, and entrepreneurial aptitude needed to thrive in today's business landscape. Based on the stages of an adult MBA the programme opens up the concept of business & entrepreneurship to young people in an engaging and contemporary learning style. KidsMBA has been shown to develop a host of essential skills such as flexible solution-based thinking, teamwork, strategic forward planning, critical thinking, leadership and instils self-confidence. At the end of the programme students receive a personalised and numbered KidsMBA Certificate of Achievement issued by ABE – an internationally recognised awarding organisation accredited by the UK Government's Office of Qualifications. All KidsMBA schools have the chance to enter their Shark Tank winners for the international Future Entrepreneur of the Year title and a chance at winning \$1000. The course will be delivered in person by Dr. Damla Khan (Ph.D. MBA). It will include select guest speaker participation offering practical insights from business leaders across the globe.

Eagle Club Golf by PacificPine Sports (MS/HS)

This golf program will equip players with the information and skills to play golf at a highly proficient level, with the goal of fostering a golfing community at SAS. The sessions will be skill based and players will, by the end of the program, be able to play all segments of the golf course and have a deep understanding of the biomechanics and skills.

Eagle Club Cheer (Dance) by L.A Dance connection

This class offers a fun introduction to cheerleading dance. Students will work on technique, posture, alignment, strength, and flexibility through basic drills taught progressively. The focus is on learning upbeat, choreographed routines using pom poms. No tricks, flips, or pyramid formations are included. The class is beginner-friendly and open to all levels.
