

HUGHIE THEO

PROJECT MANAGER

Management Experience

- Coordinated EU Projects
- Initiated and built 5 international projects
- Over 20 large project proposal initiatives. All hugely successful

Scientific Experience

- Writing scientific papers, reports, and patents
- Transform research into viable products
- (Bio) Chemistry, medical, Nano-practice handling

Education

Masters of Biotechnology
University of Oxford, England
20XX – 20XX

Bachelor's in Biomedical Science
University of Leeds, England
19XX – 20XX

Software

- Microsoft Project
- JIRA
- Tableau
- EndNote
- SAP

Certification

- Project Management Professional
- Prince2 Practitioner
- Certified ScrumMaster (CSM)
- Six Sigma Green Belt

Professional Association

- Project Management Institute (PMI)
- European Federation of Biotechnology (EFB)
- International Society for Pharmaceutical Engineering (ISPE)
