

DICTATION 1 UNIT 6

1. Supersonic jets are fast. They'll travel far in a short time.
2. Children won't use jet-packs. Only older people will use them.
3. In the future, a big spaceship will take us to Mars.
4. There won't be any restaurants on Mars.
5. Future travel will be very exciting.
6. Will more people drive electric cars in the future?
7. Will students go to school on hover-boards?
8. Marta will take us points if we don't follow instructions.
9. Children won't go on excursions if they miss behave.
10. Will you come with me to the party?
