Order of Business	MLC PTSA Meeting Agenda June 4, 2024 6:30 to 8PM at the MLC Library and VIA Zoom	
Introductions	Welcome! Please share your name, your student's name and grade	6:30–6:40 PM
Financial Report	Treasurer's Report: Link to Report	6:40–6:50 PM
Committee and Other Reports	Principal's Report (Suezann) Electives Report (Dana) Executive Committee Report ● Election ● Standing Rules ● Budget Approval for 2024-2025 ● Event / Volunteer Committee (Sierra/Chenney) ○ PTSA Volunteer Appreciation Brunch 6/8 to thank our volunteers and celebrate a successful year! ○ Preparing documents we can share with incoming families to start recruiting new members / volunteers. Will refine those prior to next school year so that we can be more visible at back to school events. Parking continues to bring in new folks and hopefully we can parlay some of that interest into volunteering with more of the community events we want to do next year. ○ This summer we will begin planning events for the coming year. We welcome input from families and staff and do hope for more community involvement both in supporting the work and attending the events! ● Auction Committee (Sierra) ○ Overall, Grow Together was successful. We met our financial goals and our special appeal raised over $11, 000 which enables MLC to bring in the OMSI Planetarium for 3 days and a Music Artist in Residency for the entire school year! However, the live event was definitely focused on fundraising and was not exactly the broader community event we'd hoped for. We plan to hold other community events next year which will hopefully create better opportunities for connection. We should continue discussing whether we want to move forward with both an online and live auction next year or if we want to rethink our fundraising strategies.	6:50–7:25 PM

	• Parking Events (Tammy/Chenney)
	  ○ Averaging just about $1100 per event
