| Location      | The course is just east of the Wellsville Elementary School at 218 Ash Street.                                                                                                                                                                                                                                                                                                                                                                                                        |
| Parking       | <p>Bus, van, and fan parking will be very limited. Parking for fans will be will be available in the parking lot south of the new elementary school after 3:30 pm.</p> <p>According to the race organizers, the easiest parking will be located in the student parking area north of the high school. You will then need to walk north to 4th street, west to the end of 4th street, then north through the gates to the running area. However, that's probably a 10 minute walk.</p> |
| Time          | <p>Fun run - 3:45 pm - 1 mile (open to runners 6th grade and younger)</p> <p>7th grade girls and boys - 4:00 - 2 miles</p> <p>8th grade girls and boys - 4:25 - 2 miles</p> <p>Race times are approximate. The races will begin early if they are ahead of schedule. High school races will immediately follow our races.</p>                                                                                                                                                         |
