

Summer Studio Proposal.

This intensive summer course is for students who would like to satisfy their art credit in studio art which will enable them to take upper level art courses at the High School. It also opens their High School schedules up to take other electives.

We will cover everything that we would normally cover in a full school year in 5 weeks (20 classes)

24 student max

Monday- Thursday 8am-Noon

July 7th- August 7th (5 Weeks @ 16 hrs per week= 80 hours)

5 curriculum days to plan, organize and grade.

On the next page is a sample of the flyer we would use....It is not a final copy.
