VAKAMA

Megamind - Your actions are a crime against all Master Builders, Business! Prepare to meet your end!

Buck Bumble - This is the oddest Nui-Rama I have ever encountered.

SKRILLEX

- **Geno** - Don't you have a friend that resembles a marshmallow? That's something I can kind of relate to.
- **Dancing Alien Team** - How about you and your talentless trap music just take a recess from the competition altogether.
- **Zane Lofton** - When I said rock n' roll will take you to the mountain, I didn't exactly mean stuff *that* old.
- **The Batter** - Seems you've learned more about scary monsters than nice sprites.
- **Crazy Dave** - Hey send Juliet my regards if you ever encounter her ok?

- **Ayano Aishi** - Didn't Marshmello put on a concert in some game that's been pretty popular recently? I've been kinda busy.

- **Puzzle Prodigies** - Man, these La Parka rip-off gimmicks are getting weird.
- **Doctors Green and Purple** - I'm an indie wrestler, not a money machine. Like hell I'd do that.
- **Optimus HOBaRT** - Well Triple-H threatened to fight a broom once. So I guess this makes sense.
- **Donkey Kong** - Yes, I'd like to order one copy of Battletoads for Wii. (Am I doing this right [his manager's name]?)
- **Eminem** - I noticed that Robin attire you wore in your most famous music video, are you sure you aren't related to our medium?
- **The Batter** - If this is about creating another baseball team, we're not interested.
- **Buck Bumble** - This is not what I meant when I talk about "Buzz".
- **Animdude** - Geez, you're bright. And I thought WWE was over the top at lighting.

BIPPER

- **Geno** - Y'know the Mushroom Kingdom's really changed ever since that idiot friend of yours took up the Shadow Queen's offer! I mean all that, and then he just immediately takes her up on it! And I thought Pine Tree was gullible! Hehe!

- **Animdude** - Sure, go ahead and lock those doors and turn off those lights. I'm gonna take yah for a ride all the same pal!

WOLFGANG AMADEUS MOZART

- **Nico Nico** - Eine Spieluhr, die sprechen kann? Nicht nur das, sondern Bilder anzeigen? Welche erstaunlichen Erfindungen macht Japan in Zukunft!
- **Donkey Kong** - Es scheint, ich habe mich in einem Karneval von Tieren befunden.

LOFI GIRL

- **Chiaki Nanami** - A fellow student! Although you do seem to have a hard time staying focused...

ANIMDUDE

- **Beta Ajit Pai** - I don't remember creating an animatronic like you.
- **Geno** - Who forgot to wind the music box?
- **Off the Hook (ft. Paruko)** - Uh-oh! How unfortunate!
- **Revenegers** - If Minecraft can get a revival in popularity, so can Five Nights at Freddy's.
- **New Super Nintenbros Deluxe** - Perhaps Freddy Fazbear's Pizzeria could use a plumber or three...
- **Wild Wild Smiths** - I've already grown tired of all your theories.

- **Dancing Alien Team** - You can try, if you like, to survive five more nights.

- **Thanos** - Even my animatronics are more functional than your Disneyland attractions.
- **Wario Partners in Crime** - How many bad pizzas did you eat?
- **Solid Snake** - I'm not a robot, but I can make some.
- **Adam Levine** - And my animatronics will hunt you down and eat you alive.
- **Daft Punk (ft. Pharrell)** - But is this where you want to be?
- **Jack & Elmo** - This next fire will burn much more than just your manuscripts.
- **Doctors Green and Purple** - At least I don't *talk* to any of my demons.
- **The Jazz Cats** - More cats trying to ruin my job.
- **Animdude** - I wouldn't call it that, but I am a guardian of a sort, yes.
- **Verbalase** - I'm not the good guy if you couldn't tell. Just don't call me evil, I'm out for myself.
- **Weiss Schnee** - Ah, I am quite acquainted with gift-giving myself.
- **Chiaki Nanami** - Uh, hello? Hello, hello? Uh, hello and welcome to your new summer job at the new and improved Freddy Fazbear's Pizza.

VICTORY QUOTES

BETA AJIT PAI

- **Thanos** - So does Disney own The Godfather yet or....

- **Optimus HOBaRT** - Keep the parts. They don't seem to help you against me.

- **Larryboy and the Princess of the Tomato Kingdom** - **B A S S B E A T E R**
- **Weiss Schnee** - You know, I really like your mobile game. Keep making those crates and we have a deal.
- **Crazy Dave** - If you ask me you're better under EA than you ever were before! Stop whining, Plants vs. Zombies 3 will be great for revenue. (Which you sorely need.)
- **Scourge Sisters** - I'd just like to say how much I *admire* the business practices of CrockerCorp. Let the Condesce know she has the approval of the FCC.
- **Internet Troll Cole** - Now that we have time to talk, would you like some help in removing those illegal Smackdown reuploads?
- **Animdude** - It seems Fazbear Entertainment will now follow in the pathline of CEC Entertainment. Bankrupt and outdated.
- **Scottish Trainer** - Besides, no one would need the Internet service in a terrible game, right?

GENO

- **New Super Nintenbros Deluxe** - Take me to Sakurai. This is more than just a passerby request.
- **Wild Wild Smiths** - Don't worry. I'll still join you and the other Round 1 Losers in looking at the stars.

- **Skrillex** - I faced my fears and cried all my tears.
- **Animdude** - Master of puppets, you'll need more than a few bites to defeat me!

- **Geno** - Pearl: The fresh kids don't care about what's retro! We're what's modern and fresh now!

- **Wild Wild Smiths** - Pitbull: Have fun in the next First Round Loser's Cypher without me Will.
- **Indie Knights** - Usher: Seems like all those Xbox skins didn't help you guys any, Minecraft's STILL the most popular indie!

NEW SUPER NINTENBROS. DELUXE

- **Beta Ajit Pai** - Reggie: This terminator was no match for the Reggienator.
- **Revenagers** - Reggie: Bill, this is serious. Get me on call with Phil Spencer, we're cutting ties with Microsoft.
- **Wario Partners in Crime** - Reggie: It's bringing your grand total to the modest sum of... 49,800 bells!
- **Solid Snake** - Doug: Thank you for the box, we'll be sure to use it with the next Nintendo Labo set!
- **Money and Mischief** - Bill: It looks like this Battle for Bikini Bottom is no longer hydrated.
- **Daft Punk (ft. Pharrell)** - Doug: That's it, cancel the Mario movie.

- **Ayano Aishi** - Will: Ah that's hot, that's hot.
- **Internet Troll Cole** - Will: Son, these weird theories get you involved with some strange people.
- **Animdude** - Jaiden: But hey... that's just a theory!

ZUN

- **Hosts with the Most** - I must admit, I am impressed. If you can enjoy our sort of Japanese media through something like Toonami, even just a little, then there is no reason you can not at least try a Touhou game.

DANCING ALIEN TEAM

- **Geno** - Marcianito: Esa actuación fue muy dar o fallar, amigo.

THANOS

- **Beta Ajit Pai** - Your new appearance does remind me of Ultron. Perhaps together we can crush the last of the Avengers.
- **Geno** - Dive into the heart... you will not return.
- **Wild West Smiths** - You may be a great spy Will, but no disguise could hide you from your fate.
- **Dancing Alien Team** - "Captain Worldwide" can't save you now.
- **Jack & Elmo** - By the way. If you see The Rock again... tell him I say "Thank you."
- **Doctors Green and Purple** - Perhaps if you weren't so busy with food you'd be able to accomplish your goal as a God of Destruction, Beerus.
- **Donkey Kong** - You won't be in my heart, primitive mammal.
- **Linne** - You have been trapped in the arms of eternity for hundreds of years. Even my gauntlet cannot end your suffering. This shows the sheer imbalance of the world...
- **Verbalase** - By the way, I'm still inevitable.
- **Mega Man** - I've grown tired of rebellious blue robots.
- **Weiss Schnee** - Go look upon your mirror mirror on the wall. It won't change that I'm the strongest of them all.

- **Internet Troll Cole** - I will take both you *and* your mother on a ride to Space Mountain, little boy.
- **Bipper** - And Gravity Falls has been killed off yet again.

- **Donkey Kong** - Now to show K. Rool who the REAL king is.
- **World Circuit Wreckers** - No one ever beats me in my boxing ring! Even when I gave ya chumps that free hammer!
- **Mega Man** - And competitive Smash players say I can't beat you...
- **Weiss Schnee** - That's what I call a peng-win!
- **Chiaki Nanami** - ...y'know, if Matt was here, this would be a whole lot funnier. Am I even legally allowed to bring that up?

- **Fritz and Seal** - This ship is sinkin' faster than the Halberd!

SOLID SNAKE

- **New Super Nintenbros Deluxe** - If you were smart, you'd tell Peach to stop getting kidnapped.

- **Internet Troll Cole** - So apparently using items and getting help from someone isn't allowed where this guy is from. Well there's always next time.

ALEXANDER HAMILTON

GRANDPA

- **Revengers** - I agree with not mining at night, I've seen a lot of shadow men about lately.
- **Crazy Dave** - Thank you for the gift, it's amazing to see such vibrant plant life. Your garden is certainly in good hands.

THE BATTER

- **The Jazz Cats** - Return home felines, you shall not impede my progress.
- **Chiaki Nanami** - Fear no more, I shall end the demented ursine's tyranny.

LARRY AND THE PRINCESS OF THE SALAD KINGDOM

- **Animdude** - Well you heard it here first folks, looks like Freddy's not quite ready to make his big debut, maybe another episode!

MEGA MAN

- **Revengers** - So what weapon do I get for beating "Aw Man"?
- **Dr. Robotnik** - Now I gotta keep you away from Dr. Wily!
- **Weiss Schnee** - I may not be the strongest Mega Man, but it sure is enough to defeat you!

WEISS SCHNEE

- **Beta Ajit Pai** - Perhaps you should invest more in Schnee Premium Dust and Cocoa Cookies.
- **Geno** - You are definitely not combat ready!
- **New Super Nintenbros Deluxe** - And there goes the year of Luigi.
- **ZUN** - Crazy drunk guy... Ruby, does this man happen to know your uncle?

- **Dr. Robotnik** - At least he was wearing pants this time...
- **Jack Bros.** - That was too easy... but at least it wasn't that red-haired girl...
shudders
- **Optimus HOBaRT** - Hopefully this win is less controversial then what happened with that pony...
- **Donkey Kong** - You're saying you're not a rapscallion? Then should I stop referring to this trash can as a trash can? Or my victory as a victory?
- **The Jazz Cats** - I hate jazz, especially after what happened during the Vytal Festival...
- **Linne** - We must strive for the best versions of ourselves. There is no time to stand idly by.
- **2016 Cartoons** - Way to keep up that losing streak Shadow.

CHIAKI NANAMI

- **Beta Ajit Pai** - Just because you're good at mobile games doesn't mean you're a true gamer.

- **Geno** - If it weren't for Smash Bros, even hardcore gamers like me would've forgotten you.
- **Off the Hook (ft. Paruko)** - Now that this fight's done, can you explain to me how you got all those games on your Game Boy?
- **"Weird AI" Yankovic** - I'm only gonna break break your break break your heart...
- **New Super Nintenbros Deluxe** - I thought the executives would be good at games they create, and yet...
- **Solid Snake** - Snake? Snake? SNAKE?!?!?!?

- **Money and Mischief** - Can't say I particularly like bears after what happened in Jabberwocky Island...
- **Dr. Robotnik** - Oh, so that's why you lost the console war.
- **Jack & Elmo** - You guys are really good teachers! Perhaps you can become new professors at Hope Peak Academy?
- **Donkey Kong** - Yeah, I prefer your video games over your cartoon.
- **Fighting Funny Team** - Yeah, take that! Wait, why is the floor... oh... *oh no...*
- **The Batter** - I certainly didn't expect to meet a Remnant of Despair here...
- **Scourge Sisters** - Sorry, I guess I was the true gamer girl all along.

- **Off the Hook (ft. Paruko)** - Oh, apparently these three were popular with the kids. SHOULD'VE TOLD ME THAT SOONER BUZZ.

- **New Super Nintenbros Deluxe** - Well that was a waste of a PR adventure. No wonder WWE 2k18 on switch sucked.
- **Wild Wild Smiths** - Although one of you may be the fresh prince of Bel-Air, I'm still one of Japan's top stars.
- **Adam Levine** - I really didn't expect this. Usually the established talent loses to the celebrity.
- **Puzzle Prodigies** - Who is this "SANS UNDERTALE" person that Buzz is telling me about?
- **Doctors Green and Purple** - I guess you can say the interest for me is OVER 9000!
- **Optimus HOBaRT** - I'll give him some credit. He still doesn't look as ridiculous as Max Moon.
- **Eminem** - If you want an outfit like his. Make sure to check out our locally owned costume business!
- **Buck Bumble** - For being able to fly, your top rope spots were pure garbage.
- **Animdude** - So not only did I fail at appeasing the youth, but now I've seen things no man should ever see.

BIPPER

- **Geno** - You'll make a nice wall decoration! Hahahahahaha!
- **New Super Nintenbros Deluxe** - By the way, would you mind hooking me up with any of those "Fallen Heroes" you know?
- **Thanos** - Man, wouldn't it be a shame if Mickey found out you lost to a fan-made version of a Disney TV character?... Well I'm gonna tell him, toodles!
- **King Dedede** - Come on, you've been possessed enough to know the drill!
- **Adam Levine** - Hunt them down, eat them alive. NOBODY will be able to change the animal YOU'LL become, with MY influence!
- **Hosts with the Most** - So now that you lost, can I see Finn? Just a quick talk to show him this crown, don't worry!
- **Puzzle Prodigies** - Wow you're upset! Take care not to lose your head over that, pal! Hahahahahaha!
- **Jack & Elmo** - Sorry, but a triangle only has one, two, three sides! Golly, now **that** is embarrassing.
- **2016 Cartoons** - Dang, wasn't that match such a Miss Fortune for you three?
- **Mega Man** - We'll meet again, don't know where, don't know when!
- **Weiss Schnee** - Hey, when you're done being corrupted by the Grimm, you should go say hi to Max for me!

WOLFGANG AMADEUS MOZART

- **Nico Nico** - Wenn ich nach Hause zurückkehre, muss ich der Niederländischen Ostindien-Kompanie eine Notiz machen, um eine dieser seltsamen Truhen anzufordern.
- **Chiaki Nanami** - For this occasion, I shall play the Clair de Lune.
- **Fritz and Seal** - I have no idea *what* you're doing, but that most certainly is not a waltz.

LOFI GIRL

ANIMDUDE

- **Revengers** - Look at me now and say I'm from Minecraft again. I dare you.
- **New Super Nintenbros Deluxe** - Now there is help wanted on getting that Freddy Mii costume in Smash Bros... mind a hand.
- **Wild West Rockers** - It's a good thing I figured out how to handle theories that are way off point.
- **Thanos** - By the way, what's with all these Disney knockoff suits from the Discovery Island?
- **Solid Snake** - Hello, hello?
- **Daft Punk (ft. Pharrell)** - I broke you bots too hard and now I can't fix you.
- **Puzzle Prodigies** - If you were that weak, I'm not sure your brother can compare to Chica's Magic Rainbow.
- **Jack & Elmo** - Tell me... by any chance are you feeling Goosebumps?
- **Megamind** - After this, I believe Mr. Hippo shall be getting some new friends soon...
- **Linne** - And I thought I made the FNaF timeline confusing...
- **Grandpa** - Don't worry my friend. Tomorrow is another day.
- **Verbalase** - I have *more* than enough raps about my creations already, I don't need you adding to the pile.
- **Weiss Schnee** - We're opening real soon, so try your best to hold on to sanity!
- **Chiaki Nanami** - A missing person report will be filed within 90 days, or as soon as property and premises have been thoroughly cleaned and bleached, and the carpets replaced.
- **Internet Troll Cole** - I'd leave the trolling to the professionals.
