Subject Specific Policies & Practices

Equipment:

Students are expected to come to class with basic materials for the Visual Arts: a pencil, eraser and a good quality sketchbook; all other materials will be provided by the art department. Students who wish to purchase materials through the art department (to avoid sharing materials) are welcome to do so.

Care of materials and equipment: Students are expected to take care of their own materials. They are required to clean up after themselves when working in the art rooms and to be considerate of others when using Mackenzie's facilities and equipment.

Extra help: Students may use the art rooms to work on their projects at lunch and after school if they need extra time. The art teachers are available at those times for assistance and consultation. It is the student's responsibility to arrange for extra help **in advance**.

School Policies

Policy for Absences: Daily attendance and punctuality are essential if you are to receive maximum benefit from this course. If you are absent from class, you are responsible for the work, tests and assignments missed. When you return to class after an absence, you must present a note (a doctor's note may be necessary) to explain the absence (date, reason and signature). If you will be away from class for an extended period of time, please inform your subject teacher and ask for schoolwork during your absence.

Policy for Homework: Homework will be assigned on a regular basis.

The Evaluation of Late and Missed Assignments: Students are responsible for completing and submitting work for evaluation on time. They are responsible for being aware of each due date and the ultimate deadline, which is the last opportunity to submit an assignment for evaluation.

Sufficient time and notice will be given for tests and for students to complete assignments. There are a number of strategies to be used to help prevent and/or address late and missed assignments which may be employed by the teacher as outlined in Growing Success page 43. When a number of strategies have been tried, marks may be deducted up to and including the full value of the assignment.

Missed Tests and Presentations: If a student is aware that they will miss a scheduled test/presentation they must advise the teacher ahead of time and an alternate arrangement will be made between the student and teacher. On the day of the absence alternate arrangements will be made provided there is parental notification to the office and the teacher that the test/presentation will be missed. The evaluation of missed tests and presentations will be determined by the teacher's professional judgment.

Policy for Plagiarism: You are required to follow the school plagiarism policy. You will be penalized for plagiarism or may be asked to redo the assignment. Plagiarism on a test may result in a mark of zero after consultation with the principal.
