

Year 8: Philosophy, Religion and Ethics

Famous people and faith

Choose a person in the public eye - it could be someone you admire, or someone that interests you. Find out about their core beliefs/faith. They could be religious or non-religious. Some ideas could be:

Selena Gomez

Billie Eilish

Bukayo Saka

Mo Farah

Kate Bosworth

Kim Kardashian

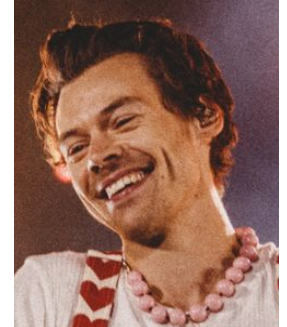

Marcus Rashford

Malala Yousefzai

Tanmanjeet Singh Dhesi MP

Harry Styles

...or choose someone you want to find out about!

Key questions to ponder:

- Does the person you are finding out about belong to a religion? If so, which one?
- What are their key beliefs about life? You might find information about their spiritual beliefs; their morals; what their priorities are in life
- How are these beliefs shown in their life - in what they say and do?

Produce some ppt slides/Google slides with what you have found out. Upload them to onto Google classroom.

Remember to record your completion of this task on UniFrog.
