Note About Payments:

I ask for the same tuition monthly September 2025 - May 2026 (August is $\frac{3}{4}$ of the usual monthly payment). Parents pay for a few days here and there while The Play Forest is closed, while at the same time receiving care a few extra days some of the months. Here is how it tallies up:

Total paid closed days: Nov: 4 days, Dec: 7 days, Jan: 1 days, Mar: 4 days = **16 days**

Total extra days you receive without paying: Sept: 2 days, Oct: 2 days, Mar: 2 days, Apr: 2 days
= **8 days**

Thus, I humbly request a steady monthly income Aug - May and The Play Forest families are investing an extra 8 days of tuition (depending on how many days you come) over the year. These additional funds are invariably invested in new equipment, toys, supplies, and/or preschool improvements. I hope this clarifies how the payments work. Thank you so much, and if you have any questions please feel free to ask.
