People in Need (PIN) Moldova Country Programme

TERMS OF REFERENCE

Consulting services provided by a training team to train social workers and deliver ongoing technical support.

Donor:

European Commission - Foreign Policy Instrument

The Support Operator will provide first-level technical assistance to social workers using tablets and the Consultation Registry, ensuring prompt resolution of technical problems and contributing to the successful adoption of new technologies.

The selection process will be carried out through a formal application procedure, where candidates will be required to submit their applications for consideration.

Type of assignment:

Consultancy and training services

1. BACKGROUND AND CONTEXT

People in Need (PIN) is a Czech non-governmental organization that provides emergency relief and development assistance while working to defend human rights and democratic freedom. It is one of the largest relief and development organizations in post-communist Europe and has managed projects in 37 countries over the past 30 years. For more information about PIN, see here: www.peopleinneed.net

Since 2009, PIN has been implementing development programs in Moldova, building a vision and practices that keep people and communities at the centre of our work. Throughout its presence in the country, PIN has contributed to the development of the following sectors:

Human Rights, Education and Media Literacy, Civil Society and Good Governance, Social Inclusion and Protection, Rural Development and Sustainability and Emergency Response and Recovery.

The Ministry of Labor and Social Protection (MoLSP) is implementing a digitalization initiative for social workers in the Republic of Moldova, distributing 2,990 tablets through 10 ATAS (Territorial Social Assistance Agencies) in the context of the RESTART Reform. With the launch of the Consultation Registry and the need to ensure effective use of the tablets, MoLSP, in partnership with People in Need (PIN) and other partners is creating a dedicated team for training social workers and providing continuous technical support.

2. THE SCOPE OF THE HELPDESK AND SUPPORT OPERATOR

The Support Operator and Helpdesk team will play a crucial role in ensuring the effective implementation of the digitalization initiative led by the Ministry of Labor and Social Protection (MoLSP). This position is responsible for providing first-level technical assistance to social workers using tablets and the Consultation Registry, ensuring prompt resolution of technical problems and contributing to the successful adoption of new technologies.

By integrating training and ongoing support, the Support Operator and Helpdesk team will ensure social workers can effectively use digital tools, ultimately enhancing the efficiency of social assistance services in Moldova.

3. FIELD OF ACTIVITY AND SPECIFIC TASKS

Within the scope of the Helpdesk, the consultant will provide first-level technical assistance to social workers using tablets and the Consultation Registry, ensuring prompt resolution of technical problems. The key responsibilities include:

- Providing technical assistance via phone, email, and the ticketing platform
- Receiving, recording, and classifying requests from social workers
- Diagnosing and solving technical problems related to the use of tablets
- Providing support for installed applications, including the Consultation Registry
- Updating the knowledge base with frequent problems and their solutions
- Escalating complex problems to the higher technical level
- Monitoring open cases and ensuring timely resolution
- Participating in team meetings to improve processes
- Collaborating with the Documentation Specialist to update guides and support materials
- Periodically reporting performance indicators to the Lead Trainer

4. DELIVERABLES, DURATION AND EFFORT

The contract is expected to be signed on 01.05.2025 and will span for a period of **4 months** with the possibility of extension directly with People in Need, the Ministry of Labour and Social Protection or one of their partners, contingent to donor funding and performance.

Deliverables:

Throughout the duration of the assignment, the consultant will be required to submit a monthly report to PIN. The report must include concrete data and measurable figures that reflect the

progress of the activities outlined in the consultant's terms of reference. Specifically, the report should:

- Provide a detailed overview of the activities completed during the reporting period.
- Include quantitative and qualitative data that clearly demonstrates the progress made against the established objectives. This includes: **disaggregated data** concerning the support provided to **Social Workers** and **ATAS/STAS** *inter alia* in relation to **the helpdesk**,
 - o The number of social workers assisted 2990 individuals
- Offer insights or recommendations for improving the ongoing work, where applicable.

At the **end of the assignment**, the consultant shall submit a **final report**, summarizing the overall outcomes of the engagement. The final report should include:

- A comprehensive review of the entire scope of work, including key achievements and any areas of improvement.
- A summary of the progress made over the 4-month period, with reference to the original objectives and deliverables.
- Analysis of any challenges faced during the assignment and how they were addressed.
- Final recommendations for future actions or projects related to the scope of work.

The consultant's engagement will be for a period of 4 months, with a consistent effort required throughout this timeframe. The consultant is expected to dedicate sufficient time and resources each month to meet the deliverable requirements, ensuring timely submission of the monthly reports. The time commitment may vary depending on the complexity of the activities, but the consultant should plan for a steady and manageable workload over the course of the assignment.

5. FINANCIAL CONDITIONS AND PAYMENTS

Payment will be made on a monthly basis, contingent upon the successful submission of the monthly report. Payment will be processed following the delivery of the report, provided that all specified requirements outlined in the deliverables section are met. The report must adhere to the agreed-upon format, include all necessary data and documentation, and fulfill any performance criteria set forth. Once the report is reviewed and approved, payment will be issued within the agreed timeframe.

6. QUALIFICATIONS CRITERIA

Criteria which bidders must meet in order to progress to the next round of evaluation. If a bidder does not meet any of the Qualification Criteria, they will be excluded from the tender process immediately. These criteria are scored as 'Pass' / 'Fail'.

Each bidder must meet and properly prove the following qualification criteria with relevant documentation:

Education:

O Professional/vocational school, or college in IT, information technology, or related fields

• Experience:

- Experience in providing technical support in IT and information technology
- o Experience using ticketing systems

• Language proficiency:

o Oral and written fluency in Romanian and Russian
