STATION 1 (Mav Park): Annual Data Confirmation Completion Check

Each year we ask families to review our school/district policies, and confirm and/or update all of their student information in Aeries. At Station 1, we will check to confirm this process is complete so that your student will be able to get their class schedule. If this process has not been completed, we will send you to Room 904 to complete with support of an LCC staff member.

STATION 2 (Learning Commons): Student Handbook Agreement

We will check to make sure your student signed the Student Handbook Acknowledgement Agreement. If they have not, they will be given the opportunity to do so. ASB will also be at this station sharing tips about how to be a successful Maverick!

STATION 3 (Learning Commons): School Pictures & School IDs

School Pictures and IDs will be provided by Gerardy Photography. *Students may not wear hats or costumes, use props or anything that may distract from their image in their ID/yearbook photo.* Students who are unable to take their school pictures during business days will have the opportunity to take their picture at make-up days after school begins.

STATION 4 (Flex Lab near Learning Commons): Chromebook Distribution

All freshmen and new LCC students will receive a Chromebook on Business Days. Parents will need to complete the SDUHSD Student Acceptable Use policy through the annual notifications process on Aeries before their student receives a Chromebook. We will notify families about any fines from middle school sometime this fall.

STATION 5 (Finance Office and ASB): Purchases/ASB Dance Contract

(Optional--purchases may also be made on our [ASB webstore](#))

Visit our Finance Office for the option to purchase yearbooks, a PE uniform, and Associated Student Body (ASB) Cards which comes with the incredible Mav Spirit pack. See optional purchases [HERE](#). Proceed to the ASB table to sign the [Dance Contract](#) which is mandatory if you wish to attend any dances this school year.

STATION 6 (Outside Attendance office): Class Schedules

If Data Confirmation has been completed, students will be able to pick up their PRELIMINARY class schedule. It is important to note that these schedules are subject to change as LCC enrolls new students or needs to make adjustments. Student schedules will be available on Aeries student and parent portal on August 10 at 4:00pm.

STATION 7 (Outside College/Career Center) : Meet with Counselor (Optional)

If needed, check in at the front of the College and Career Center to sign up to speak with your counselor. Counselors will be available to meet with students about class schedules; however, changes could be limited.

Ms. Hernandez:	A- Del and MLL students
Ms. Espinosa:	Dem-GI and AVID students
Ms. Vincent:	Go-Man
Ms. Martinez:	Mar- Rob and IB Diploma candidates
Ms. Musel:	Roc-Z

To request schedule changes, submit the [Schedule Change Request Form \(QR code\)](#). The form will be open once Business Days have begun (July 29). This is the fastest way to receive a response if you do not need to speak to a counselor or cannot wait. Please do not email your counselor with a change request, as this will slow the process down.

STATION 8 (Near Admin building): LCC Foundation (Optional)

Our LCCHS Foundation is a major contributor to enhancing the educational experiences of our Mavericks. Please be sure to stop by the [LCC Foundation](#) station in Mav Park! The Foundation serves an absolutely vital role in supporting the operations of LCC and we are so grateful for everything they do!

Go Mavs! Let's have a great 2026-2027 school year!
