 Blog post (using [Verity's template](#)):

Helping us supporting you

We would appreciate a [donation](#) of any size to support our work. We recommend a donation of £200 for grant-led research and £40 for student. Whilst our support is not contingent on a donation, it is very much appreciated.

Are you able to make a donation to cover our time and resources: Yes ☐ No ☐

Follow up

In order to approve and then publish / circulate your recruitment, you must ensure the following is attached to your submission. Please tick each to confirm their inclusion.

Do you agree to send a lay summary and paper to Verity upon completion:

☐

Upon completion / publication of your study, Verity can also assist with [dissemination](#) – which can include a blog post, social media posts and in the case of highly topical research, invited to a webinar to discuss your findings in more detail.

For Verity Use ONLY
