Información de Inscripción

La inscripción se abre el 16 Martes a las 6 a. m. y cierra el jueves 1 de febrero a las 10 p. m.

Por favor, sigue las instrucciones a continuación:

Por favor, revisa cuidadosamente este [documento de Políticas de Enriquecimiento ELCS](#) antes de la inscripción para asegurarte de que estés adecuadamente preparado cuando se abra el período de inscripción. Asegúrate de realizar todas las actualizaciones de la información de tu cuenta antes de que comience la inscripción, incluyendo actualizaciones de contraseña, niveles de grado de los estudiantes, direcciones, etc. Aprobamos manualmente los cambios y esto puede retrasar tu proceso de inscripción.

- o Si ya tienes una cuenta o eres una familia actual de Discovery Link, por favor visita este enlace para registrarte: <https://connect.schoolcareworks.com/login.jsp>
Inicia sesión, haz clic en "Register" (Registrar), elige **Bromwell** del menú DPS, desplázate hacia abajo hasta "Enrichment" (Enriquecimiento), haz clic en "View Offerings" (Ver Ofertas).
- o Si **no tienes una cuenta o no eres una familia actual de Discovery Link**, por favor visita este enlace para crear una cuenta: https://www.schoolcareworks.com/registration/dps/start_registration.jsp
 - o Selecciona **Bromwell** como tu ubicación.
- o Desplázate hacia abajo en la página y selecciona "Click to View Offerings" (Haz clic para ver opciones) bajo los Programas de Enriquecimiento 2023-2024.
- o Los estudiantes solo pueden asistir a programas de enriquecimiento en la escuela a la que asisten.

Asegúrate de estar utilizando un navegador Google Chrome, en una computadora portátil o de escritorio, no en un teléfono inteligente, con una buena conexión a internet. Abrir una pestaña de incógnito, haciendo clic en los 3 puntos en la esquina superior derecha de tu navegador, funcionará mejor.

PREGUNTAS?

Por favor, envíe un correo electrónico a enrichment_extendedlearning@dpsk12.org si tiene alguna pregunta.

O llame al (303) 548-2296.

AFTER-SCHOOL ENRICHMENTS

Monday PM

Chess Wizards**

Chess Wizards is a premier chess education company providing fun, informative and challenging chess lessons to students. Chess Wizards teaches children many important life concepts, such as learning the ability to win graciously and accept defeat with dignity and sportsmanship. Students will be divided into groups according to their chess experience. At the end of this session, each student would have had the chance to participate in a mini-chess tournament.

Slow Food: Lil Sprouts Cooking**

Lil' Sprouts is Slow Food Denver's enrichment program that teaches children the entire seed-to-plate process. Our goal is to provide an interactive learning environment transforming children from passive food consumers to creators, and in doing so increase their health awareness. This learner-driven approach inspires children to develop healthy, lifelong eating habits by making the connection between where food comes from and how it is prepared. Children discover their own taste preferences, learn to create dishes they enjoy, and derive self-esteem as they learn new skills and gain confidence in the kitchen. Participation in the entire seed-to-table experience results in a more intimate relationship with food.

Wednesday PM

Bromwell Math cub with PIQ Math**

Join the Bromwell Math Club with Pi Q Math! Club members will meet on Wednesdays after school to strengthen their problem-solving skills and deepen their understanding of important mathematical concepts. Each child that participates for at least two sessions will practice for and participate in at least one math competition. The contests will be administered during camp time and at Bromwell. Math competitions have helped thousands of kids understand that math is not about blindly following rules but about solving complex and deeply satisfying problems. They have generated excitement, energy, and pride in excelling in mathematics. Your child's success with math competition problems is a very good reflection of their deep and flexible understanding of the key concepts taught in elementary school math.
