

We the People Management Circle

We the People meets every first Thursday at 3:30 pm

We the People (WtP) works to maintain the heart of the Co-op by facilitating support for staff, maintaining optimum staffing, developing conflict resolution processes, and developing a working member program. WtP works collaboratively with staff and other circles within our scope.

We the People meet on the first Thursday of the month at 3:30 p.m. WtP also has three sub-circles, called bubbles, working on structure and management style; feedback and evaluation processes for staff; and wage and benefit programs. If you have expertise in areas within our scope, or a strong passion, please apply below.

The WtP scope of management responsibilities includes:

1. Develop and review conflict resolution process
2. Maintain optimum staffing
3. Facilitate support for employees
4. Develop working member and volunteer programs

We The People (WTP) seeks to work collaboratively and within our scope.

1. WTP will bring proposed structural changes to staffing to the board for approval.
2. WTP will collaborate with other circles when the scope of the project overlaps.
3. WTP will intentionally seek input and feedback from all staff to make decisions for the greater good of the organization.
4. WTP will strive to communicate effectively with board and staff members.
