

Timothy G. Gregory Memorial Scholarship Application

Background Information About Timothy G. Gregory

A native of Findlay, Tim attended St. Michael's grade school in his hometown before graduating from Fostoria St. Wendelin High School in 2004. Throughout his life, Tim was an exceptional athlete who excelled in the sports arena. During high school, he was a captain of the football, wrestling, and baseball teams his senior year. He was a three-time letter winner in football and a two-time qualifier for the district tournament in wrestling. In baseball, he threw a no-hitter and also hit for the cycle. Tim's tough, hard-nosed style in all three sports made him a favorite of his coaches and teammates.

While Tim was an exceptional athlete, he was also a great human being. He was a caring person who always put others before himself. Tim was very loyal to his family and friends, and his quick wit and charm always brought a smile to the faces of those he met. Tim was a student at Bowling Green State University at the time of his death, and although his life was short in terms of years, it was full of great relationships and lasting memories with those he loved. The Timothy G. Gregory Memorial Scholarship was created in 2007 to commemorate his life and the impact he had on those around him.
