

Equipment Room Hours and Procedures 2025

Howdy all,

My name is Reid Pitts (crpitts@ncsu.edu) and I am the manager of the equipment room.

The equipment room is 1026 Biltmore Hall, one floor down from the main entrance from Faucette Dr.

Below is my general availability for the equipment room. I ask that you attempt to check out & return equipment within those hours to the best of your ability. However, I do not stay in the equipment room during, as I am usually in my office in Jordan Hall. **Please email me at least 24 hours in advance (crpitts@ncsu.edu)** for a time that works for you and I'll meet you at the equipment room to check out or return equipment. Please be on time.

,

I do have some flexibility, so please email me if none of my posted hours work for you and we will work something out.

Thank you,
Reid (crpitts@ncsu.edu)
