## Hispanic Heritage Coffee Storytelling Prompts

### Coffee and Cultural Connections

- What is your earliest memory of drinking coffee with your family?
- How was coffee introduced to you as a child? Who first shared it with you?
- Can you describe a typical morning in your household centered around coffee?
- Were there any special occasions or celebrations where coffee was a significant part of the event?
- How did your family incorporate coffee into holiday traditions or special family moments?
- How did the act of making and sharing coffee help strengthen your family bonds?
- What role does coffee play in connecting you to your cultural heritage and community?
- How do you continue to celebrate your family's coffee traditions in your own life today?

### Heartwarming Coffee Tales

- Can you share a story of a memorable conversation or moment that happened over a cup of coffee?
- How did coffee serve as a bridge between different generations in your family?
- What were some of the rituals or routines your family had around coffee time?
- Did you ever participate in the coffee-making process as a child? What was that experience like?
- How did your family's coffee traditions make you feel connected to your heritage and roots?
- Is there a specific type of coffee or way of drinking it that is unique to your family or culture?
- How did sharing coffee influence the way you view hospitality and community?
- What is a cherished memory you have of a loved one that involves coffee? How does it make you feel today?

### Nostalgic Memories of Family and Coffee

- Can you recall a special family tradition involving coffee that has been passed down through generations?
- Describe the aroma of coffee brewing in your childhood home. What feelings and memories does it evoke?
- How did your parents or grandparents prepare their coffee? Was there a unique method or ingredient they used?
- Share a memory of a family gathering where coffee played a central role. What was the occasion and who was present?
- Did you have a favorite type of bread or pastry that always accompanied coffee time? What made it your favorite?
- How did conversations around coffee shape your understanding of your culture and family values?

- Was there a special person in your life who always made the best coffee? What made their coffee so memorable?
- How has the role of coffee in your family changed over the years? What traditions have you kept alive?
