– BART SMITH, AUTHOR + BOOK "STUD ROCKER!"

INTERVIEW INTRO

So many people today want to write a book! The problem they face? They just don't know how! I mean, there's a lot involved with it! You have to know what you want to write about. Then, you have to write the book. Then, you have to get it edited. Front, back and spine covers need to be designed. Then, you send it to the

printer, you order proofs to edit your book in hand again. Wow, what a process. But, for so many authors, they find it the most rewarding and even therapeutic reasons to write in the first place. If you want to write a book or want to learn how to write your next one really fast, then this is the show to tune into!

My next guest, Bart Smith, is the author of [27 books](#), which include topics covering business, motivation, lethal confidence, relationships, cooking, networking, speaking, weight-loss and fitness, personal development, romance/erotica ... wow, what's next, politics?
