

It starts just ¶ǎL_Heath the ribs.

It's a very hungry thing, you understand. But it doesn't know "fâood." Not yet. It only knows that something el©÷8e does. So íí_í_,"(é*Ô _ïÜntust beneath the ribs. It tickles at the nerves. That's when you start crăĀaving.

Everyone's different. Some df_²lop a sweet tooth. Some want fattier foods. I know o1÷_•@rson who just kept drinking, put their whole mouth on the faucet. It's all the same toz3ßǎ cÔ³⁄xiĀ it.
