Professional Experience

Shawnee Country Club/ Food Runner, Bartender

September 2023 - present, Lima Ohio

Served 50 to 75 customers a day. Is responsible for kitchen expo as well as making drinks while following food and health safety standards.

Tom Ahl Family of Dealerships / Lube Tech

October 2022 - September 2023, Lima Ohio

Performed maintenance on up to 20 cars per shift. Performed tasks such as oil changes, tire replacement and rotation, as well as a multi point inspection.

Amazon / Picker, AR Technician

March 2021 - August 2022, Akron Ohio

Picked up to 4,000 packages per day to be sorted and sent to packing. Also used computers to track and fix stuck or broken robots within the AR floor.

Education

University Of Northwestern Ohio

High Performance Motorsports Technology

Projected Graduation- June 2025

Internships

ARCA Menards Series

February 2024 - present

Students are placed in various roles on ARCA teams such as general mechanics, pit crew members, and spotters to gain real world experience on a professional race team.

Extracurriculars

A UNOH Off-Road Club

August 2022 - Present

As current President for the Off-Road Club I am responsible for planning events such as weekend camping trips, shop maintenance days for club vehicles and fundraisers.

UNOH Race Club

January 2024 - Present

This club places students on ARCA Menards Series race teams to gain experience on professional race teams.

A UNOH Over The Wall Club

January 2024 - Present

As a member of this club I am a part of a team that practices live NASCAR style pit stops and works out to become better crew members for the ARCA teams we are placed on from the Race Club.

Race Experience

Maples Motorsports/ Mechanic, Jack Man, Fuel Man

December 2024- Present

Worked with my Crew Chief to ensure the cars were prepped and ready to pass technical inspections, replaced shocks and springs on superspeedway cars, assisted other teammates in car preparation, as well as worked with other crew members to successfully complete pit stops as a team.

Shearer Speed Racing / Crew Chief, Spotter, Fuel Man, Mechanic

February 2024 - October 2024

Worked in many different roles within the team. Managed crew members to successfully pass technical inspections and perform live pit stops during races. Was Crew Chief at four races, spotted at one race, fueled the car during pit stops for two races, and performed general mechanic duties at every race of the 2024 season. I attended eight races with this team during 2024.

Fast Track Racing / Tire Specialist, Tire carrier

May 2024 - October 2024

Worked with my crew chief to ensure all tires were to proper specifications such as pressure, spring rate, and stagger for dirt races. Also carried tires as well as made trackbar and wedge adjustments during pit stops.
